multiracial families comprise a rapidly growing population in the united states this volume addresses this population so often neglected in the counselling literature following an historical overview the authors address both the special needs and special strengths of multiracial families explore the challenges facing interracially married couples examine social and cultural issues pertinent to parenting multiracial children and translate results of biracial identity development research into counselling practice

now available in paperback for classroom use this comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students another of the book s strengths is the emphasis on multimethod approaches in family research the book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few in summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on

the family philip siebler monash university victoriasponsored by the national council on family relations the sourcebook of family theory and research is the reference work on theory and methods for family scholars and students around the world this volume provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research the sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it an accompanying website offers additional participation and interaction in the process of doing theory and making science editors vern l bengtson alan c acock katherine r allen peggye dilworth anderson and david m klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation the sourcebook begins with a section that sets the context for future family research the subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces a concluding section discusses issues of teaching family theories and research key features focuses on the process rather than the outcomes of family theory and research methods emphasizes the value of multi methods approaches in family research by integrating theory development with the development of research methods differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings the interactive site and the special feature boxes within the chapters engage readers with theory and methodology boxed features include case studies spotlights on theory spotlights on methods and a discussion and extension sections represents a who s who of family researchers with contributions from many of the best researchers in the family realm the sourcebook will be an excellent addition to any academic library it is an authoritative reference for scholars and researchers in

human development and family studies sociology social work and psychology in addition the sourcebook can also be used in graduate courses on family theory and methodology

the american family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s the four volumes of the social history of the american family explore the vital role of the family as the fundamental social unit across the span of american history experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of american families from the colonial period to the present key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy features approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students a collection of primary source documents demonstrate themes across time the signed articles with cross references and further readings are accompanied by a reader s guide chronology of american families resource guide glossary and thorough index the social history of the american family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions

what kind of challenges do multiracial families face what issues do families deal with when the mother and father are of different races and the children are a mixture of the two what about when the parents are of one race but have adopted children of another some of their challenges are the same as those facing families who are the same race of course but there are others that arise because of the families multiracial nature do family members have trouble understanding what each other are going through because they do not share racial background what about culture should they celebrate their different races holidays separately or blend them together to create new traditions these are the kinds of questions the families in this book frequently face what they have learned from their experiences can help us as well as we relate to people of different cultures

encyclopedia of human services and diversity is the first encyclopedia to reflect the changes in the mission of human services professionals as they face today s increasingly diverse service population diversity encompasses a broad range of human differences including differences in ability and disability age education level ethnicity gender geographic origin religion sexual orientation socioeconomic class and values understanding the needs and problems of asian americans hispanic americans the deaf the blind the lgbt community and many other groups demands an up to date and cutting edge reference this three volume encyclopedia provides human services students professors librarians and practitioners the reference information they need to meet the needs of an increasingly diverse population features 600 signed entries are organized a to z across three volumes entries authored by key figures in the field conclude with cross references and further readings a reader s guide groups related articles within broad thematic areas such as aging community mental health family and child services substance abuse etc a detailed index the reader s guide and cross references combine for search and browse in the electronic version a helpful resource guide guides students to classic books journals and web sites and a glossary assists them with the terminology of

the field available in both print and electronic formats encyclopedia of human services and diversity is an ideal reference for students practitioners faculty and librarians

through in depth interviews with individuals from black white multiracial families and insightful sociological analysis heather m dalmage examines the challenges faced by people living in such families and explores how their experiences demonstrate the need for rethinking race in america she examines the lived reality of race in the ways multiracial family members construct and describe their own identities and sense of community and politics their lack of language to describe their multiracial existence along with their experience of coping with racial ambiguity and with institutional demands to conform to a racially divided racist system is the central theme of tripping on the color line

are your undergraduate students interested in such topics as interracial dating marriage multiracial identity transracial adoption and related issues if so this is the perfect short text to assign in your course

this interdisciplinary volume surveys the diverse experiences of biracial families both across and outside the black white binary the book examines the deep rooted social contexts that inform the lifespan of interracial families from dating and marriage through the stages of parenthood as well as families unique responses and realities through a variety of structures and settings including blended and adoptive families contributors describe families strengths and resilience in meeting multiple personal and larger social challenges the intricacies of parenting and family development are also revealed as an ongoing learning process as parents and children construct identity culture and meaning among the topics covered social constitutionality of race in america some meanings for biracial multiracial families interracial marriages historical and contemporary

trends racial socialization a developmental perspective biracial families formed through adoption diverse family structures within biracial families racial identity choices context and consequences addressing lingering gaps in the existing literature and highlighting areas for future study biracial families gives readers a fuller understanding of a growing and diversifying population its depth and breadth of coverage makes the book an invaluable reference not only for practitioners and researchers but also for educators and interracial families across the spectrum

the views and experiences of multiracial people as parents the world's multiracial population is considered to be one of the fastest growing of all ethnic groups in the united states alone it is estimated that over 20 of the population will be considered mixed race by 2050 public figures such as former president barack obama and hollywood actress ruth negga further highlight the highly diverse backgrounds of those classified under the umbrella term of multiracial multiracial parents considers how mixed race parents identify with and draw from their cultural backgrounds in raising and socializing their children miri song presents a groundbreaking examination of how the meanings and practices surrounding multiracial identification are passed down through the generations a revealing portrait of how multiracial identity is and is not transmitted to children multiracial parents focuses on couples comprised of one white and one non white minority who were mostly first generation mixed situating her findings in a trans atlantic framework by drawing on detailed narratives about the parents children and family lives this book explores what it means to be multiracial and whether multiracial identity and status will matter for multiracial people's children many couples suggested that their very existence and their children's is a step toward breaking down boundaries about the meaning of race and that the idea of a mixed race population is increasingly becoming normalized despite existing concerns about racism and racial bias within and beyond various communities a critical

perspective on contemporary multiracial families multiracial parents raises fundamental questions about the future significance of racial boundaries and identities

adoptive families in a diverse society brings together twenty one prominent scholars to explore the experience practice and policy of adoption in north america while much existing literature tends to stress the potential problems inherent in non biological kinship the essays in this volume consider adoptive family life in a broad and balanced context bringing new perspectives to the topics of kinship identity and belonging this path breaking book expands more than our understandings of adoptive family life it urges us to rethink the limits and possibilities of diversity and assimilation in american society

through critical examination of both government and school forms curricula classroom practices and behaviors and teacher interviews this book shows how children of multiple races are invisible in schools

what happens when a family has nowhere to live some families have lost their houses because of financial difficulties or natural disasters and don t have the resources to find new homes their lives become a struggle to meet their basic needs some live in shelters some with friends or relatives some on the streets or in their cars many have trouble staying together can children growing up in these families really survive and have good lives are there good things these family members have learned from their situations this book tells the stories of several families who have experienced homelessness and tries to answer some of those questions

children growing up in blended families with stepparents and stepbrothers and stepsisters face many of the same challenges as children growing up in more traditional families along with some that are unique to their situation how do they

work out their relationships with the non biological members of the family how do they deal with the children s other family members who don t live with them the families in this book are challenged by these questions every day they see difficulties and benefits in their experiences and their stories share many of the things they have learned in their lives

this book is a collection of readings that reflect the various opinions that exist in our society concerning marriage and family diversity

an incisive multidisciplinary look at the american family over the past 200 years written by respected scholars and researchers family in america offers two powerful antidotes to popular misconceptions about american family life historical perspective and scientific objectivity when we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends working mothers we learn are not a 20th century invention most families throughout american history have needed more than one breadwinner in the exciting new scholarship described here readers will learn precisely what is new in american family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change
