a bible student reference a new testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before jesus christ returns in glory is being fulfilled now and is shortly to end yet christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that christ s return is therefore now almost upon us how and why this is the case is here explained thoroughly and logically with many examples directly from the word of god in god s saving plan for the world everyone must in time make a free will choice to become part of the israel of god in order to access eternal life in the kingdom of god the route to take is the strait and narrow way mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this israel embark on this voyage only if you are willing to be challenged about some basic christian preconceptions be a serious open minded bible student and trust what the bible teaches but remember that time is short what the bible has taught me i see as both vital and urgent for our eternal salvation yet i know of no church or individual theologian who teaches what this book deals with in any substantive way be prepared for major challenges to your understanding just as god has challenged me in the epistles paul refers to two israels whom he calls israel after the flesh i cor 10 18 and the israel of god gal 6 16 i focus mainly on the latter but i also explain an unexpected but critically important connection between them dependent on the teaching nearly all christian denominations either teach nothing at all on it or almost the opposite of what scripture repeatedly showed me looking back i find this absolutely staggering very few christians understand that the new covenant also only applies to israel as i will clearly show i no longer believe that the nt new testament can be fully understood without this extra israel dimension had i felt i could deliver this in a more light hearted way i would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

and immediately i was in the spirit and behold a throne was set in heaven and one sat on the throne revelations 4 2 the life a believer ought to be a supernatural one we have been born into a heavenly or spiritual realm and thus should be able to interact with that realm and access the fullness of its powers and glory in other words the believer should not be disadvantaged in any way as we have the ability to fully function in and from the realm of the spirit where everything that manifest in the physical realm is determined also just like the fictional superman a believer should be able to by pass time and space and be transported into different parts of the world and into different realms by the spirit the scriptures clearly show us this but sadly this is not the reality as some believers are limited and manipulated by satan and his cohorts where they are supposed to reign this is largely because they do not understand the realms of the spirit how to function in it and the limitless possibilities when one lives or functions from that realm this satan and his demons understand thus satan will do anything to stop the believer from attaining full spiritual faculty functionality i want you to know that there are limitless possibilities to a believer who understands the realm of the spirit however full functionality in the spirit requires the believer to develop the habit of being in the spirit in other words the believer has to learn how to enter stay or spend more time in the spirit this is what the holy spirit will have me reveal to you in this book i will share with you the necessity of being in the spirit the different levels

and dimensions of being in the spirit and the effects of being in the spirit i will also share with you some amazing experiences i have had in the realms of the spirit just like john in the scripture shared above i have been transported in the spirit countless times to see hear interact and experience life in that realm and i am so excited to be able to share these experiences with you in this book one thing is for sure this revelation will change your life if you will give yourself to reading and deeply meditating on it by the spirit
