this book offers a fresh and innovative account of the history of environmentalism in the united states challenging the dominant narrative in the field in the widely held version of events the us environmental movement was born with the publication of rachel carson s silent spring in 1962 and was driven by the increased leisure and wealth of an educated middle class chad montrie s telling moves the origins of environmentalism much further back in time and attributes the growth of environmental awareness to working people and their families from the antebellum era to the end of the twentieth century ordinary americans have been at the forefront of organizing to save themselves and their communities from environmental harm this interpretation is nothing short of a substantial recasting of the past giving a more accurate picture of what happened when and why at the beginnings of the environmental movement

here in their own words are frederick douglass george jackson chief joseph martin luther king jr plough jogger sacco and vanzetti patti smith bruce springsteen mark twain and malcolm x to name just a few of the hundreds of voices that appear in voices of a people s history of the united states edited by howard zinn and anthony arnove paralleling the twenty four chapters of zinn s a people s history of the united states voices of a people s history is the long awaited companion volume to the national bestseller for voices zinn and arnove have selected testimonies to living history speeches letters poems songs left by the people who make history happen but who usually are left out of history books women workers nonwhites zinn has written short introductions to the texts which range in length from letters or poems of less than a page to entire speeches and essays that run several pages voices of a people s history is a symphony of our nation s original voices rich in ideas and actions the embodiment of the power of civil disobedience and dissent wherein lies our nation s true spirit of defiance and resilience
