this book provides an integrated view of the delhi sultanate government from 1206 to 1526 it is divided into two parts the first

part deals with the political events and the dynastic history of the sultans and the second part with the administration different land issues social life including two major religious movements and other cultural aspects including architecture and sculpture the growth of the city of delhi has been shown here perhaps for the first time most of the books on delhi sultanate mainly narrate the political events here other aspects have been included to show the real character of the sultanate it may be mentioned that the english officials from the end of the eighteenth century had termed the medieval period of india as a dark age a statement that has been accepted by several indian writers it is to negate this view that an integrated narrative has been provided here please note taylor francis does not sell or distribute the hardback in india pakistan nepal bhutan bangladesh and sri lanka

at the time of the first world war anglo arab relations were in their early stages indeed the public record office index of foreign office documents relating to this period lists the names of only three arab states egypt muscat and oman with the rest of the arab countries being included either as part of turkey or in conjunction with other world powers this underlines the significance of muscat and oman at the time and hence the intense political activity and struggle between britain france and a number of arab players over the sultanate of oman in this book raghid el solh presents key official documents and archive materials drawn from sources available at the india office library and public records index which illustrate the manoeuvring that was taking place seen through the eyes of british officialdom the material presented chronologically in specific subject areas illustrates primarily the competition for control of the arab provinces of the defunct ottoman empire particularly in the northern part of the arab peninsula dr el solh also focuses on documents relating to domestic affairs specifically the rebellion against great britain and the sultan instigated by abdullah bin hamaid as salimi the leading ibadi shaikh and historian he aimed to force the authorities in muscat to adhere more strictly to sharia laws and the rule of ibadism finally to complete the picture of the sultanate of oman during the first world war the editor includes material relating to the financial situation of the sultanate the education of the sultan s son and the formation of the levy corps

a study of the struggle between britain france and others over the sultanate of oman it is the third of three volumes covering the years 1918 to 1939 and contains reproductions of official documents

this book represents an innovative socio scientific methodology of the study and application of illegible epistemology as the field of unity of knowledge to the applied domain of academia and practice socioeconomic development planning the case of the sultanate of oman an oil rich country by the arabian gulf is taken as the case study using the relational epistemology theme to

analyze the illegible development plans and to quantitatively examine and develop policy recommendations while illegible the prevailing ones

this study is based on extensive research in british sources and includes material from archives in the united states the last chapter which covers the period from 1970 is based on omani newspapers and interviews with omani officials conducted in 1994 throughout the 20th century omani rulers were confronted with rebellious tribes and threatened by movements originating outside the sultanate including wahhabism arab nationalism and communism the discovery of oil in the 1960s did not free the omani people from poverty or seclusion the sultan s subjects were only liberated in 1970 when a coup d etat led by sayyid qaboos bin said enabled oman to build a modern infrastructure join the arab world and the international community

the material presented in this text illustrates the competition for control of the arab provinces of the defunct ottoman empire seen through the eyes of british officialdom oman was at the centre of an intense political struggle between european powers and this text examines why
