in this collection of more than 200 stunning and storied photographs ranging from daguerreotypes to studio portraits to snapshots historian bruce white explores historical images taken of ojibwe people through 1950 and considers the negotiation that went on between the photographers and the photographed and what power the latter wielded ultimately this book tells more about the people in the pictures what they were doing on a particular day how they came to be photographed how they made use of costumes

and props than about the photographers who documented and in some cases doctored views of ojibwe life

a prize winning writer offers an affecting portrait of his childhood home leech lake indian reservation and his people the ojibwe the new york times a member of the ojibwe of northern minnesota david treuer grew up on leech lake reservation but was educated in mainstream america exploring crime and poverty casinos and wealth and the preservation of native language and culture rez life is a strikingly original blend of history memoir and journalism a must read for anyone interested in the native american story with authoritative research and reportage he illuminates issues of sovereignty treaty rights and natural resource conservation he traces the policies that have disenfranchised and exploited native americans exposing the tension that marks the historical relationship between the us government and the native american population ultimately through the eyes of students teachers government administrators lawyers and tribal court judges he shows how casinos tribal government and the bureau of indian affairs have transformed the landscape of modern native american life treuer s account reads like a novel brimming with characters living and dead who bring his tribe s history to life booklist important in the way dee brown s bury my heart at wounded knee was when it came out in 1970 deeply moving readers as it schooled them about indian history in a way nothing else had minneapolis star tribune a poignant penetrating blend of memoir and history people

a comprehensive reference work on the culture and history of native americans

i can think of no recent book about traditional crafts which has delighted me more than joel monture s complete guide to traditional native american beadwork all too often books of this nature are either as boring as a repair manual or obscure and inaccurate monture s triumph is that his book is not only the best and most complete book about virtually every aspect of native american beadwork tools materials styles and methods it is also clear interesting reading written from the point of view of a native master craftsman who is also a gifted teacher and accompanied by striking full color photos it can serve as either a beginning point or a lifelong reference tool i am confident that monture s book will bring him wide praise not only from beadworkers but also from any person who delights in knowing more about the meaning and the history of an indigenous artform which is finally attracting the sort of critical attention and informed appreciation it deserves joseph bruchac author of keepers of the earth includes all the basic stitches and designs contains a special section on natural tanning methods extensive glossary full color photos of authentic native american beadwork

a revised and expanded comprehensive guide to the novels of native american author louise erdrich from love medicine to the painted drum includes chronologies genealogical charts complete dictionary of characters map and geographical details about settings and a glossary of all the ojibwe words and phrases used in the novels provided by publisher

the patterns in this book are presented in the three formats most popular among beaders colored freehand drawings non colored freehand drawings and patterns drawn on size 11 beading graph paper the last two can be copied and colors filled in by the beader the patterns can be used for embroidery and painted works designs include sioux star with a bear paw buffalo spirit several geometrics four feathers sunburst various butterflies medicine buffalo flowers dove of peace turtles feathers dragonflies a horse a fish and more there are also templates for barrettes bolos hairties and more there are 24 photos of beaded pieces that show different patterns and combinations including bear salmon medicine wheels roses and geometrics most are detailed enough to show how the beads are sewn into the pattern may your creative juices flow as you use this book 48 pages in full color 142 illustrations

in injun joe s ghost harry j brown addresses these questions within the interrelated contexts of anthropology u s indian policy and popular fiction by white and mixed blood writers mapping the evolution of hybridity from a biological to a cultural category
