every american city had a small self aware and active black elite who felt it was their duty to set the standard for the less fortunate members of their race and to lead their communities by example professor gatewood s study examines this class of african americans by looking at the genealogies and occupations of specific families and individuals throughout the united states and their roles in their various communities from publisher description

theologizing in black is a creative and rigorous comparative study on black theological musings and liberative intellectual contemplations engaging the theological ethics and anthropology of both continental

african theologians tanzania kenya democratic republic of the congo and black theologians in the african diaspora haiti trinidad jamaica antigua and barbuda united states using the pluralist approach to religion promoted by the philosopher of religion and theologian john hick the book is also an attempt to bridge an important gap in the comparative study of religion africana studies and liberation theology both in africa and its diaspora the book provides an analytical framework and intellectual critique of white christian theologians who deliberately disengage with and exclude black and africana theologians in their theological writings and conversations from this vantage point africana critical theology is said to be a theology of contestation as it seeks to deconstruct white supremacy in the theological enterprise this book not only articulates a rhetoric of protest about the misrepresentation and underrepresentation of the humanity of african and black people in white theological imagination it also enunciates a positive image of black humanity and congruently promulgates a constructive representation of blackness the paramount goal of africana theological anthropology and ethics is the preservation of life and promotion of human dignity and the sheer acknowledgement that the african people and people of african descent are bearers of the image of god

say amen brother a reprint of a classic in the field of american cultural studies examines the rich and lively tradition of black preaching the book is a publication in the african american life series the late william h pipewas was a professor of speech and dean at philander smith college and a professor emeritus at michigan state university he received his ph d from the university of michigan

biblical strategies for a community in crisis contains inspirational messages and warnings by eleven leading christian thinkers whose dreams have had a major impact on the african american community during the closing decades of the 20th century

in this landmark effort to understand african american people in the new world gunnar myrdal provides deep insight into the contradictions of american democracy as well as a study of a people within a people the title of the book an american dilemma refers to the moral contradiction of a nation torn between allegiance to its highest ideals and awareness of the base realities of racial discrimination the touchstone of this classic is the jarring discrepancy between the american creed of respect for the inalienable rights to freedom justice and opportunity for all and the pervasive violations of the dignity of blacks the appendices are a gold mine of information theory and methodology indeed two of the appendices were issued as a separate work given their importance for systematic theory in social research the new introduction by sissela bok offers a remarkably intimate yet rigorously objective appraisal of myrdal a social scientist who wanted to see himself as an analytic intellectual yet had an unbending desire to bring about change an american dilemma is testimonial to the man as well as the ideas he espoused when it first appeared an american dilemma was called the most penetrating and important book on contemporary american civilization by robert s lynd one of the best political commentaries on american life that has ever been written in the american political science review and a book with a novelty and a courage seldom found in american discussions either of our total society or of the part which the negro plays in it in the american sociological review it is a foundation work for all those concerned with the history and current status of race relations in the united states provided by publisher

for each congregation mcqueen provides the year it was organized the county and town where it is located and an address or directions for finding it any other history lore or facts available are also given

information was gathered from interviews church bulletins special church programs historical markers and building cornerstones book jacket

this report looks at the impact of the faith in the city initiative and what life in the city is like now it also contains essays on how theology might be done today stories of the city and its people and issues of the city including violence children praise and the black experience

this study argues that the church has the capacity of fostering ideological resistance to the dominant order and therefore making a profound contribution to the sociopolitical liberation of black americans by developing this position using quantitative research methods in three african american churches the work confirms the reality of this potential showing that a counter hegemonic approach to church in the black community is possible this is significant because many politically active scholars even african american radicals disparage the institution as a politically destructive hegemonic organisation that misuses social and economic resources

author was close to dr martin luther king and deeply involved in the struggle against racism this book tells the fascinating history of the black church formed within the methodist church and its role today
