chicago history of american civilization 4 traces the forms and content of
american folklore from colonization to mass culture

between 1937 and 1940 fieldworkers in the works progress administration s
federal writers project interviewed around 3 500 formerly enslaved people in
north america resulting in roughly 20 000 pages of still unedited and
inadequately indexed typescript these accounts the wpa ex slave narratives are
the most substantial collection by far of folklore and oral history gathered
directly from enslaved people in america it is arguably the single greatest body of
african american folklore extant and a significant portion is devoted to folk music

and song this book considers this treasure trove in all its relevant social cultural and historical contexts nineteenth century black folk music developed against the backdrop of north american slavery the american civil war emancipation the federal occupation of the south and a successful white supremacist paramilitary and political insurgency that led to federal withdrawal officially sanctioned racial terror and southern apartheid the wpa ex slave narratives describe that history in remarkable detail despite their inestimable value most of the ex slave narratives remained unpublished until the late 1970s being almost unknown except to folklorists even after publication the collection s sheer size was a barrier quoting extensively from the narratives and exhaustively annotated and indexed this volume provides readers with detailed explanations and full references for every musical item or tradition featured in the ex slave narratives john minton covers instrumental music and social dancing spirituals and hymns singing games and lullabies ring plays and reels worksongs minstrel songs ballads war songs slavery laments and much much more written for both specialists and general readers with 134 illustrations the book also offers a general overview of the ex slave narratives their contents creation and relation to the field of african american folklore as a whole

being possessed by a vampire sucks alana jones s world has been completely turned upside down after being bitten by a vampire s reflection in a cursed mirror now she s forced to stay in an abandoned victorian inn on an isolated island off the west coast of florida where alana lives a double life one as herself and one as a vicious murderer over the past year she has spilt and drunk the blood of sixteen victims the guilt of their deaths slowly eating away her sanity sixteen dead however things become even more complicated when alana finds cole a surfer she felt a connection with the moment they met on the mainland locked up in the island s shed knowing his death is inevitable she attempts to distant herself from him continually reminding herself of the monster residing underneath her skin unfortunately it s a small island and the more she interacts with cole the more her feelings grow for him eventually she has to make a decision either accept his fate or find a way to expel the vampire s spirit from within herself before she murders him as well
