humans were created to discover the unknown all you have to do is look at history around 600  
bce the greek philosopher thales discovered static electricity in the early 1600s hans lippershey  
discovered the telescope in 1687 newton discovered the infinitesimal calculus in 1966 bishop john  
nathaniel hardy discovered the invisible mysterious intelligent being called the almighty god in this  
book the author shares the lessons he learned on an incredible journey that resulted in him  
meeting our almighty god while he does not claim to have ever seen the lord he has felt his  
energy and is still feeling it to this day his purpose is to provide an accurate account of his  
sojourn with natural and supernatural phenomena and to propose the idea that there must be a  
supernatural being somewhere who monitors our affairs we may not understand how it is done  
but as scripture tells us the firmament sheweth his handiwork psalm 19 1 kjv join the author as he

challenges us to discover god and shares powerful truths about what it means to be one of his faithful servants

when the author of this book wrote about a small girl who lost her aspirations because of darkness in the world it was because she had grown up to provide counsel to her children so they wouldn't make the same mistake she made life before and after the marriage isn't the same parents need to be more resilient and clever to help their children succeed today's parents are under a lot of stress but do you know why this is a contentious issue that necessitates a wide range of opinions but you'll find the ideal answer in this book one that will show your youngster the right road moving forward
