early colleges as a model for schooling advocates for early college high schools as an effective means of reducing academic cultural and financial obstacles to postsecondary education this perceptive work evaluates both quantitatively and qualitatively the impacts of early colleges hybrids that blend elements of secondary and postsecondary education it examines the strengths and challenges of early college models of different designs and explores their place in the greater education system julie a edmunds fatih unlu elizabeth j glennie and nina arshavsky craft their narrative around the findings of one of the most ambitious studies to date on early college high schools a fifteen year longitudinal study involving more than four thousand students across nineteen secondary schools that have adopted the model they offer insight into the student experience within early college high schools and beyond the authors demonstrate how the well structured and supportive educational environment of early college not only prepares students academically for college level coursework but also helps students navigate logistical challenges in applying for colleges and universities they show how the positive outcomes of the early college experience can help tip the balance toward successful postsecondary educational

experiences especially for historically underserved students such as low income students minority students and first generation college students as the authors point out a shift in the way the transition between secondary and postsecondary education is implemented provides an achievable approach to improving college readiness and lowering educational barriers they argue persuasively that wider adoption of this educational model in high schools has great potential to improve overall access to higher education

the on course success strategies review card is a two sided laminated card with the 8 choices of successful students on one side and the wise choice process on the other carry this with you to remind you about taking personal responsibility and staying motivated and for a quick review of the wise choices critical thinking model

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea
