paul told the romans the law is holy and the commandment is holy and righteous and good yet four times in three epistles he wrote we are not under law but under grace christians read these seemingly conflicting statements and are easily confused they wonder if anyone can understand how the law and the old testament relates to their faith some take the easy way out and all but ignore the old testament calling it legalism they prefer to concentrate on and enjoy the magnificent grace of god that comes with salvation this limits their understanding of the scriptures and indeed restricts spiritual growth confusion further abounds because just about every denomination has a different interpretation of the law and the relationship between the testaments lester stephenson proposes a different approach rooted in jesus words in matthew 17 18 do not think that i came to abolish the law or the prophets i did not come to abolish but to fulfill for truly i say to you until heaven and earth pass away not the

smallest letter or stroke shall pass from the law until all is accomplished those two verses call for christians to look anew at the law and the rest of the old testament not one part of the law or what the prophets wrote will pass away until jesus has completely fulfilled it stephenson stresses that christians must recognize the importance of the bible that jesus and the apostles used each time jesus and the apostles used the phrase it is written they were using an old testament passage to illustrate a new testament principle in a biblicist view of law and gospel stephenson advocates a biblicist view based on careful bible study to explain how christians are to view the law and the way the testaments fit together as an inspired whole

this book has been written in the face of doctrines that have been generally accepted for around one hundred and eighty years they all today in their variegated presentations spring from john nelson darby exclusive brethren who having initiated them in england then went world wide he particularly concentrated on the united states being successful in impregnating his doctrines in the hearts of the most important and influential preachers of that era we should remember that the outpouring of the spirit as on the day of pentecost had not yet been revived as an experience and doctrine he question is why do the pentecostals and charismatics go along with his teachings many old pentecostals had been baptists fundamentalists and brethren hence they brought in the doctrine with them dare we go against the scriptures to follow darby and schofield should we not take another look at darby s doctrine with present extensions and the word of god to see how they match up

by looking at history and geography it is clear that many end time passages from the old testament prophecies have been fulfilled applying the same process to the familiar new testament end time passages butler shows that most of these prophecies have also been fulfilled

extracts from calvin s commentaries topically arranged
