this work first published in 1994 provides a framework which covers the major aspects of contemporary standard korean and allows cross language comparisons it offers a wide ranging and comprehensive grammatical description of korean covering syntax morphology phonology ideophone interjections and lexicon

this book is a complete guide for people who want to learn the korean language starting from the very beginning and learn the alphabet and the correct sounds of vowels consonants and diphthongs it was written for people who want an easy but systematic approach to the language the writer is a non native speaker who started learning the language from zero just like you and spent years in korea trying to reach a better level of proficiency in korean after a few weeks of study you will study to recognize words make sentences and have simple but miraculous conversations with other korean speakers

this book represents an effort of around five years of part time research study and writing by the author in addition to assembling and organizing large amounts of accurate and current information from nearly countless sources mr mcdonough has also striven to describe the korean language in clear engaging prose although written with beginning and intermediate learners in mind even advanced users should find this handy book quite useful some of this data is very hard to find in any reference source in english anyways and this book is much more accessible than others written by native korean authors professional linguists academics and the like naturally explaining a foreign language requires some

grammar terminology however this has been minimized and all terms are clearly explained in simple language and also defined in a convenient glossary at the beginning of the book the handbook is meant to be a solid introduction to the grammar and structure of the language as well as a reference guide to be consulted as needed everything you should need is very clearly laid out with over 50 tables and lists as well as an index plenty of examples are provided as well this is the only book of its kind written in english currently available and the only book that contains such a well organized and useful collection of information part of its unique value is in the author s careful editing and the exclusion of a lot of older rarer legacy grammar material that tends to haunt many korean books further aiding the user notes about frequency and general usefulness are included in many places in addition to being a self contained educational resource the handbook would nicely complement classroom study as well as the various textbooks on the market lastly this might be a useful tool for korean natives studying english the author comes from a computer science background and initially set out to create a user s guide similar to those in that field really just for his own use that project evolved into much more and this book is the result a companion vocabulary focussed volume is due out later in 2015 and an advanced book in 2016 other learning tools are planned as well including an interactive internet based application for computers and smartphones

more making out in korea is a fun accessible and thorough korean phrase book and guide to the korean language as it s really spoken now in its third edition this is the perfect introduction to korean as it s really spoken from everyday interactions to basic questions to the language of love it includes phrases and tidbits of information on a variety of social situations such as eating out traveling texting and much more more making out in korean features a pronunciation guide and basic grammar as well as guidelines for the use of polite and informal phrases so you ll never put a foot wrong when meeting and getting to know people exploring clubs and bars getting serious in relationships talking to friends through social media each expression in this korean phrasebook is given in korean script as well as the romanized form to enhance your experience of the language and help you with written socializing on computers and gadgets full of colorful slang straight talk and a little cultural savvy on the side this book has what you need to get started pick it up and get ready to converse

the first volume of its kind to treat specifically the critical role of language in korean culture and society an introductory chapter provides the framework of the volume defining language culture and society and their interrelatedness and presenting an overview of the korean language vis à vis its culture and society from evolutionary and dynamic perspectives

provides a good overview of the korean language in a readable way without neglecting any important structural aspects of the language

developed collaboratively by leading classroom teachers and linguists of korean high intermediate replaces advanced intermediate as the third year textbook in the popular korean language learning series integrated korean all volumes are developed according to performance based methodology and principles contextualization learner centeredness use of authentic materials function task orientedness balance between skill getting and skill using and integration of speaking listening reading writing and culture grammar points are systematically introduced with simple but adequate explanations and abundant examples and exercises each situation topic based lesson consists of objectives pre lesson topics and conversation reading further reading and culture sections conversation and reading sections contain comprehension questions grammar and usage activities and english translations vocabulary for each lesson appears conveniently at the bottom of the page integrated korean is a project of the korean language education and research center klear with the support of the korea foundation in addition to the five level integrated korean textbooks and workbooks volumes include korean composition korean language in culture and society korean reader for chinese characters readings in modern korean literature a resource for korean grammar instruction and selected readings in korean audio files for this volume may be downloaded in mp3 format at kleartextbook com

korean made simple 2 continues right from where we left off and will help to bring your korean language abilities to the next level no matter your age you can learn how to read write speak and understand korean learn more about korean grammar culture history holidays and even idioms learn over 1 000 new vocabulary words and phrases through 20 in

depth and fun lessons filled with plenty of examples additionally practice sections with answer keys are built into every chapter this book also contains advanced level notes for more skilled korean speakers looking for a review as well as an appendix dedicated to additional reading practice in korean audio files for the book are also available for free download from gobillykorean com continue your exciting journey into the korean language today let s learn korean

the most enjoyable way to learn about an unfamiliar culture is through its stories especially when they re told in two languages korean stories for language learners introduces 42 traditional korean folktales with bilingual korean and english versions presented on facing pages together with detailed notes and exercises aimed at beginning learners of the language the book can be used as a reader in first and second year korean language courses or by anyone who wishes to learn about korean folktales and traditional korean culture this elegantly illustrated volume is designed to help language learners expand their vocabulary and to develop a basic familiarity with korean culture the stories gradually increase in length and complexity throughout the book as the reader improves their vocabulary and understanding of the language after the first few stories the reader is asked to use the vocabulary in speaking and writing exercises by reading these classic stories they also are given a window into korean culture and learn to appreciate the uniqueness of the country which provides greater motivation to continue learning the difficult language cultural notes and discussion questions further reinforce one s understanding of the stories and bolster one s language skills korean english and english korean glossaries are included as well as an overview of the korean hangeul script audio recordings by native speakers help readers improve their pronunciation and inflection

included in this book reading and writing rules of the 14 korean consonants and 10 vowels examples of basic conversational dialogues english transcriptions of korean pronunciation with qr codes on each page to access audio examples recorded by native korean speakers line by line comparison of korean and english in parts of speech self practice exercises and answer keys using 110 basic nouns and 10 simple conversations a glossary of english loanwords that are frequently used in korea this book is an introductory resource for english speakers who wish to learn the korean

language in addition to the fundamentals of the korean language such as the 14 consonants and 10 vowels we ve organized knowledge and insight of both english and korean languages to help you set out with the right foot regardless of the purpose of your korean learning the book focuses primarily on cultivating your foundation for a basic command of the language reading writing speaking and vocabulary and its sentence construction
