one born every minute channel 4's bafta winning documentary series has been a critical and popular smash hit and in january 2012 we'll be back on the maternity ward for fourteen brand new thrilling episodes in this wonderful book midwives maria dore and ros bradbury look back over their careers and reveal the extraordinary experiences that fill every their working day from first time mums with unusual birth plans to overwhelmed dads who end up on the delivery room floor and of course the beautiful babies who make it all worthwhile maria explains to be part of anyone's birth experience is just the best you never quite get over that miracle now updated to include the latest news of babies born during series 2

television for women brings together emerging and established scholars to reconsider the question of television for women in the context of the 2000s when the potential meanings of both terms have expanded and changed so significantly in what ways might the concept of programming addressed explicitly to a group identified by gender still matter the essays in this collection take the existing scholarship in this field in significant new directions they expand its reach in terms of territory looking beyond for example the paradigmatic anglo american axis and also historical span additionally whilst the influential methodological formation of production text and audience is still visible here the new research in television for women frequently reconfigures that relationship the topics included here are far reaching from television as material culture at the british exhibition in the first half of the twentieth century women's roles in television production past and present to popular 1960s television such as the liver birds and in

the twenty first century highly successful programmes including *Orange Is the New Black* call the midwife *One Born Every Minute* and wanted down under this book presents ground breaking research on historical and contemporary relationships between women and television around the world and is an ideal resource for students of television media and gender studies
