this book faithfully represents the teaching of roman catholicism on the church's doctrinal authority while pointing to areas where there remains a gap between an ecclesiological vision of the church informed by vatican ii and the popular understanding and concrete exercise of that authority in the life of the church today

a unique valuable and long overdue resource for all catholics as well as those inquiring about the faith teaching with authority will help deepen your understanding of what the church teaches by showing you maybe for the first time how and why and where it does not another catechism or catholicism for beginners book teaching with authority isn't about understanding specific teachings of the faith even the complicated and misunderstood ones but rather about understanding catholic teaching itself where does the church's teaching authority come from how do we weigh dogmas versus practices doctrines versus disciplines conciliar declarations versus papal interviews how do we sort through the

many kinds of ecclesial documents and determine their relative authority and relevance and in an age when accusations of heresy fly regularly across social media jimmy also tackles the issues of incredulity apostasy and schism showing you how to recognize different forms of dissent

founded by abb paul couturier in 1937 the groupe des dombes is a protestant catholic coalition in french speaking europe uniting reformed lutheran and catholic scholars in a common spirit of prayer dialogue and discernment its pioneering work of reconciliation has influenced many other official ecumenical dialogues this volume presents six statements produced by the groupe des dombes from 1971 to 1991 which appear here together in english translation for the first time these substantial documents express the groupe's keen insights into the renewal of theology and church life that is necessary for progress toward full ecclesial unity and they invite churches to pursue fruitful dialogue mutual understanding harmony and the hopeful vision of a future in full communion in the journey of the churches toward the unity for which christ prayed no other informal group of scholars has been so influential or long standing in their service as the french groupe des dombes we can be grateful to have this group of texts drawn together including one newly translated which have had such a historic role in developing agreements among the churches the skillful introduction makes these texts a useful resource for teaching exploring ecumenical history and providing resources for church leaders in their response to christ's prayer that they all may be one jeffrey gros fsc memphis theological seminary until now most of these groupe des dombes documents have not been readily accessible to english language readers we are very grateful to catherine e clifford for collecting these important documents and for translating the text on the papal ministry this book will help many people to progress toward the communion of the churches joseph famere catholic university of louvain
