international business 2000 is a completely up to date text for one of the most dynamic
courses in management departments today it offers current updated vignettes and global
perspectives boxes as well as a completely new section at the end of the book
international business 2000 updates international business 2 c

mcdonald s restaurants are found in over 100 countries serving tens of millions of people
each day what are the cultural implications of this phenomenal success the widely read
and widely acclaimed golden arches east argues that mcdonald s has largely become
divorced from its american roots and become a local institution for an entire generation of
affluent consumers in hong kong beijing taipei seoul and tokyo in the second edition
james l watson also covers recent attacks on the fast food chain as a symbol of american
imperialism and the company s role in the obesity controversy currently raging in the u s
food industry bringing the story of east asian franchises into the twenty first century praise
for the first edition golden arches east is a fascinating study that explores issues of
globalization by focusing on the role of mcdonald s in five asian economies and
concludes that in many countries mcdonald s has been absorbed by local communities

and become assimilated so that it is no longer thought of as a foreign restaurant and in some ways no longer functions as one nicholas kristof new york times book review this is an important book because it shows accurately and with subtlety how transnational culture emerges it must be read by anyone interested in globalization it is concise enough to be used for courses in anthropology and asian studies joseph bosco china journal the strength of this book is that the contributors contextualize not just the food side of mcdonald s but the social and cultural activity on which this culture is embedded these are culturally rich stories from the anthropology of everyday life paul noguchi journal of asian studies here is the rare academic study that belongs in every library library journal

in the battle to do good former mcdonald s executive bob langert takes readers on a behind the scenes tour of the restaurant giant s decades long battle to do good tackling tricky societal issues all while feeding 70 million people a day while attending to the bottom line

perfect for fans of the founder this is the real life story of the world s premier entrepreneurial success the growth of mcdonald s worldwide continues to astonish in tough financial times mcdonald s proved that ingenuity trial and error and gut instinct were the keys to building a service business the entire world has come to admire mcdonald s has been a trendsetter in advertising focusing on different demographics as well as the physically disabled mcdonald s created mcjobs a program that employs both mentally challenged adults and senior citizens and because its franchisees have their fingers on the pulse of the marketplace mcdonald s has evolved successfully with the health food revolution launching dozens of new products and moving toward environmentally safe packaging and recyclable goods inspiring informative and filled with behind the scenes stories this remarkable saga offers an irresistible look inside a great american business success

how did the mcdonald s logo become an iconic symbol for fast inexpensive meals discover how mcdonald s grew from one hamburger restaurant to one of the world s largest restaurant chains

he either enchants or antagonizes everyone he meets but even his enemies agree there are three things ray kroc does damned well sell hamburgers make money and tell stories from grinding it out few entrepreneurs can claim to have radically changed the way we live and ray kroc is one of them his revolutions in food service automation franchising shared national training and advertising have earned him a place beside the men and women who have founded not only businesses but entire empires but even more interesting than ray kroc the business man is ray kroc the man not your typical self made tycoon kroc was fifty two years old when he opened his first franchise in grinding it out

you ll meet the man behind mcdonald s one of the largest fast food corporations in the world with over 32 000 stores around the globe irrepressible enthusiast intuitive people person and born storyteller kroc will fascinate and inspire you on every page

chronicles the rise and expansion of the nation s number one fast food chain and the horatio alger life of founder ray albert kroc

details the history of the company from its beginnings in illinois to becoming a major international corporation

what is it about mcdonald s that has enabled it to produce more millionaires from within its ranks than any company in history what earns the undying respect and loyalty of its franchisees vendors and 47 million customers served daily from moscow to evansville to rio de janeiro and how does it continue to expand its products retool its image and become more popular with each passing year few authors are as qualified to answer those questions as company insider paul facella beginning behind the counter at age 16 paul literally grew up at mcdonald s from counter to grill to regional vice president he has over the course of his distinguished 34 year career developed an intimate knowledge of the fast food giant s management practices and culture he s also forged personal ties to its legendary leaders including founder ray kroc and ceos fred turner mike quinlan jack greenberg former president ed rensi and current ceo jim skinner everything i know ab out business i learned at mcdonald s delivers an up close and personal look at a company where talent is cultivated and encouraged to thrive from the individual restaurant to the corner office with the help of in depth interviews and in their own words commentaries from company executives franchisees and vendors he explores mcdonald s result driven culture and reveals the core principles first laid down by founder ray kroc in 1955 that have successfully guided the company for more than five decades finally paul distills all that knowledge and experience into powerful lessons on teamwork leadership integrity communication and relationship building that you ll use to achieve stellar results in your company whether your goal is to build an international business empire of your own or just the best darned shop in town

faced with its first quarterly loss in company history mcdonalds corporation enacted a strategy to improve its declining profitability unfortunately mcdonalds profitability problems were multi layered and required the company to reevaluate both its current business model and strategy links to obesity negative customer perceptions and decreased same store sales were all to blame for the current situation for a successful turnaround mcdonalds must recognize its inefficiencies and devise an integrated operational and communication plan to reverse its slide

look at this famous company to find the secret of their success reveals a remarkable human story from which the author draws conclusions about the basic features of any business he explains the importance of people and products finance and investment training and research advertising and selling and many more concepts in terms that everyone can understand

academic paper from the year 2019 in the subject business economics offline marketing and online marketing grade 4 5 kenyatta university language english abstract the purpose of this report is to examine the service concept of mcdonald s the world s leading chain of hamburger fast food restaurant and the prominent global food service retailer the report also discusses how the operations of the organisation contribute to the functioning of the service concept after presenting the assessment of how service concept is implemented through operations the recommendations are discussed at the end of the report besides appendices have been included to illustrate a series of tables and figures that support the report the service concept is the insight and expectations of the service itself in the thoughts of the employers investors stakeholders employer and customers the concept involves an open transformation process of transforming inputs to anticipated outputs through the suitable application resources more precisely services are cost effective activities that lead to the place time psychological or form utility a meal in a fast food restaurant not only saves time but also it offers a psychological help developing the service concept can be considered as the ultimate step for a corporation in generating an all inclusive service model

the mcdonald s corporation is not only the largest system wide sales service in the world it is a phenomenon in its own right and is now recognized as the most famous brand in the world by providing a detailed analysis of the extent to which the mcdonald s corporation adapts or imposes its labour relations policies in europe this volume represents a real life case study revealing the interaction between a global multi national enterprise and the regulatory systems of a number of different european countries key features include an overview of the mcdonald s corporation s development and structure an analysis of its corporate culture and the issues of franchising an examination of key union strategies including systems of co determination consultation and collective bargaining a chapter dealing specifically with european legislation in particular the mcdonald s european works council the author systematically analyzes the conflict between the mcdonald s corporation and the industrial relations systems of the european countries within which it operates and exposes this conflict as an unequal struggle between economic liberalism and collectivism

the sign of the burger examines how mcdonald s captures our imagination both as a shorthand for explaining the power of american culture and as a symbol of the strength of

consumerism
