this reprint of appendix b of the 1856 annual report of the secretary of state to the governor of ohio relays the names of deaf and

dumb blind insane and idiotic persons in eight two counties of ohio as of 1856 the information contained in this tabulation is extremely detailed considering the time period the inclusion of age birthplace name of parents and the birthplaces of the parents should prove very helpful to anyone finding a person of interest within all the columns are clearly labeled and are self explanatory as of 1856 ohio had eighty eight counties and eighty two of those submitted names the following counties did not comply athens belmont butler gallia hancock and henry

international journal for the application of formal methods to history

the author examines the differences in politics policy and culture in leading western democracies and offers an explanation as to why lesbian and gay citizens in europe reap more benefits of equality this analysis of the political economy of care calls attention to the ways in which care is negotiated by various investors the state families individuals and the faith based voluntary sector and the power dynamics of this negotiation historically christian churches have been leading primary investors in care providing a direct safety net for children and the elderly despite european secularization the involvement of the christian church elites in both the provision of service and the setting of the values frame for welfare cannot be underestimated the historical involvement of christian churches is unique in each country but one common factor is the normative interpretation of the family the role of christian values from left leaning social justice reformed protestant individualism or social conservatism in relation to the political economy of care gives a distinctive flavor to questions about under what circumstances policymakers are compelled or not to expand policies to include lesbian and gay citizens

this book explores the part played by music especially group singing in the protestant reforms in strasbourg it considers both ecclesiastical and popular songs in the city how both genres fitted into people s lives during this time of strife and how the provision and dissemination of music affected the new ecclesiastical arrangement

provides information about the meaning spelling and pronunciation of commonly used words in the english language
