we are especially excited in presenting this practical guide as we firmly believe that this course inspired by the holy spirit will help to equip the body of christ in understanding and engaging the courts of heaven the primary idea of the heavenly courts is that we have access to a judicial system through which we can submit any case e g financial relational etc in order to get a heavenly verdict that will ultimately change our direction or circumstances the heavenly courts according to common teaching works on the same basic fundamental principles as a normal earthly court system with the obvious difference that this one is a spiritual court setup in this spiritual court setup we have key role players and very specific protocol that needs to be followed if this were to be the case it would be a very confusing courtroom just imagine god as judge being seated in a court seeing people from all over the world operating on different laws and systems following different protocols explaining something spiritual based on earthly principles and laws can cause extreme confusion therefore we have decided to rule out the misconception with regards to the judicial system and what the courts of heaven is based on
