this is a comprehensive guide for creating a medical marijuana dispensary or delivery service growing medical marijuana and complying with california law all material is relevant prior to implementation of medical marijuana regulation and safety act mmrsa in 2018 this guidebook provides current detailed directions on how to open and operate a california medical marijuana dispensary and collective delivery services it also provides information on how to legally grow medical marijuana and conform as a medical marijuana patient this guide was written by seasoned california medical marijuana experts and there is no substitute of this quality available you will learn what california business entities are required under sb 420 how to incorporate as a not for profit how to remain compliant with the various ca business requirements how to determine what is reasonable compensation for employees and directors

how to properly calculate grower s reimbursements about setting up internal controls accounting and inventory tracking procedures how to properly price medical marijuana for members also included are sample membership agreements and other compliance documents californiadispensaryinfo com

twelve states mostly in the west have enacted laws allowing the use of marijuana for medical purposes and many thousands of patients are seeking relief from a variety of serious illnesses by smoking marijuana or using other herbal cannabis preparations meanwhile the federal drug enforcement administration refuses to recognise these state laws and continues to investigate and arrest under federal statute medical marijuana providers and users in those states and elsewhere claims and counterclaims about medical marijuana much debated by journalists and academics policymakers at all levels of government and interested citizens include the following marijuana is harmful and has no medical value marijuana effectively treats the symptoms of certain diseases smoking is an improper route of drug administration marijuana should be rescheduled to permit medical use state medical marijuana laws send the wrong message and lead to increased illicit drug use the medical marijuana movement undermines the war on drugs patients should not be arrested for using medical marijuana the federal government should allow the states to experiment and should not interfere with state medical marijuana programs medical marijuana laws harm the federal drug approval process the medical cannabis movement is a cynical ploy to legalise marijuana and other drugs with strong opinions being expressed on all sides of this complex issue the debate over medical marijuana does not appear to be approaching resolution

like going on a road trip with bill bryson driving and hunter s thompson riding shot gun unsettled by the stiff old rules at home and the unfair realities concerning his natural medicine of choice writer colin hogg and his faithful sidekick bruce hit the high road in america on an exploration of a wild new world where cannabis is free and easy laugh out loud funny this is a journey to the new frontier of cannabis travelling four states that have given the legal nod to marijuana and three states that have fully inhaled the cannabis revolution and gone recreational after sampling the best america has to offer the writer also makes a case for legal marijuana at home where laws are out dated and draconian

so you ve packed your bags loaded your van are ready to join the green rush along thousands of others looking to try their luck at opening and running successful marijuana dispensaries and businesses in states like arizona colorado georgia alaska and others the business is big according to cnbc the marijuana industry in the u s alone is worth an estimated 45 billion and it continues to grow as of january 1 2014 the state of colorado became to the first have dispensaries where marijuana could be grown and sold legally because of this legalization medical dispensaries in colorado are now able to apply for special licenses that allow them to sell marijuana for medical and recreational use to the public however the costs of cannabis retail sales don t come cheap marijuana dispensaries and businesses can expect to pay tens of thousands on operating licenses

and application fees background checks and residency requirements for business owners are there to make sure that not anyone can start their own dispensary and sell marijuana today marijuana dispensaries are not just in colorado but have grown to other states like california alaska florida and the like marijuana dispensaries have the added advantage in that they don t only have to sell weed to card holding patients but to recreational smokers as well in this book you will learn how to open a medical marijuana dispensary a bit of background a look at how marijuana dispensaries work challenges of a marijuana medical dispensary what to do when opening a medical marijuana dispensary the kind of costs and revenues to expect from a medical marijuana dispensary what are the auxiliary benefits of starting a medical marijuana dispensary other important considerations to make before starting and running a medical marijuana dispensary let s get started

the cultural scientific and legislative divide created by vigorous debates over the legalization of medical marijuana is giving way to a new synergy among community stakeholders across the united states the goal is to improve access to medical marijuana for patients with refractory debilitating neurological disorders cancer and chronic pain as an alternative to ineffective pharmacotherapy and potentially addictive pain medications the ultimate test of our nations resolve to ensure the welfare of our sickest patients is the enactment and implement of effective public health reform in the area of medical marijuana also known as medical cannabis this book evolved out of the present need for a definitive volume on the science and public health aspects of medical cannabis to fuel this national narrative the ethnographic research presented in the concluding chapter was inspired by professor miriam w boeri and colleagues at bentley university in waltham ma they examined views of community stakeholders including medical marijuana dispensary entrepreneurs health care professionals and patients in a state that legalized medical marijuana in 2013 yet there continued to be confusion and misunderstandings in the interpretation and implementation of medical marijuana guidelines during the period of policy shifts apparent gaps in policy development and implementation signaled the urgency for a comparison study addressing stakeholder views in new york state where its medical marijuana program has legally dispensed the drug since 2014 the resulting pilot study was carried out in the division of health policy and management of the city university of new york school of public health the research model incorporated ethnographic and grounded methodologies to detail the views of physicians pharmacists educators patients and entrepreneur stakeholders with triangulation of data and application of dominant themes into a socioecological framework model to identify areas of public health policy reform the findings of this study detail that new york like other states that recently legalized the dispensation of medical marijuana faces challenges beyond policy transparency communication and education explicitly to improve the implementation process for applying and registering medical cannabis dispensaries referring physicians and qualified patient recipients ken langone chairman of the board of new york university langone health and steven galetta chair of neurology in the school of medicine where the authors is

senior staff in neuroepidemiology motivated him to pursue doctoral training in health policy and management the author has had the good fortune of interacting with thought provoking medical students neurology trainees public health doctoral students and professors who reinforce the high ethical standards in medical and public health practice and research however his patients still educate him in empathy and humanity the author is grateful to his family including his spouse holly and sons adam and seth who serve as his daily compass encouraging him to take on projects that promote core values of medicine and humanity
