eldenburg's fourth edition of management accounting combines the basic technical issues associated with cost management, management accounting and control with more recent and emerging themes and issues. Management accounting is a compulsory element of the accounting major and this text is written to cover the content typically taught in the two management accounting units offered in most accounting programs. The management accounting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes case videos, interactive problems and questions with immediate feedback. Eldenburg's unique resource can also form the basis of a blended learning solution for lecturers.

Management 4e is an introductory text that provides internationally accepted management theories within the framework of South African and Southern African organisational practices.

Businesses are becoming increasingly global so they need a well-orchestrated IT management strategy to meet the increasing customer expectations and international competition. This concise yet comprehensive edition is designed to prepare students with IT strategy planning and management with latest management frameworks, researched principles and proven best practices. Besides giving an in-depth study of managing IT as a strategic resource, the book also explains how to prepare an effective plan for implementing IT strategy. Further, it covers the complete lifecycle of IT management encompassing IT projects and program management, IT service management, planning and measuring returns from IT investment and management of IT-led change in the organization. In addition, it deals with the topics of modern interest such as computer ethics, IP management and Indian cyber laws. New to the edition includes three new chapters on business model strategies, business process reengineering and ERP and big data analytics strategy. Several case studies in the Indian context to give a practical understanding of the subject for the readers. MCQs to help
