1 new york times bestseller with a new afterword by the author in honor of frank sinatra s 100th birthday this is the book that frank sinatra tried but failed to keep from publication and it s easy to understand why this unauthorized biography goes behind the iconic myth of sinatra to expose the well hidden side of one of the most celebrated and elusive public figures of our time celebrated journalist kitty kelley spent three years researching government documents mafia related material wiretaps and secret testimony and interviewing more than 800 people in sinatra s life family colleagues law enforcement officers friends the result is a stunning often shocking exposé of a man as tortured as he was talented as driven to self destruction as he was to success featuring a new afterword by the author this fully documented highly detailed biography filled with revealing anecdotes is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty

years and continues to fascinate to this day praise for his way the most eye opening celebrity biography of our time the new york times a compelling page turner kitty kelley s book has made all future sinatra biographies virtually redundant los angeles herald examiner

she was the definition of white house style for too brief a time and as a private citizen we couldn t seem to get enough of her here is the inside outside upside and downside of our own american princess tragic heroic private the image of jacqueline kennedy onassis remains the image of an american icon that will never lose its ability to charm and fascinate

for the past twenty five years no one has been better at revealing secrets than oprah winfrey on what is arguably the most influential show in television history she has gotten her guests often the biggest celebrities in the world to bare their love lives explore their painful pasts admit their transgressions reveal their pleasures and explore their demons in turn oprah has repeatedly allowed her audience to share in her own life story opening up about the sexual abuse in her past and discussing her romantic relationships her weight problems her spiritual beliefs her charitable donations and her strongly held views on the state of the world after a quarter of a century of the oprah ization of america can there be any more secrets left to reveal yes because oprah has met her match kitty kelley has over the same period of time fearlessly and relentlessly investigated and written about the world s most revered icons jacqueline kennedy onassis frank sinatra nancy reagan england s royal family and the bush dynasty in her 1 bestselling biographies she has exposed truths and exploded myths to uncover the real human beings that exist behind their manufac tured facades turning her reportorial sights on oprah kelley has now given us an unvarnished look at the stories oprah s told and the life she s led kelley has talked to oprah s closest family members and business associates she has obtained court records birth certificates financial and tax records and even copies of oprah s legendary and punishing confidentiality agreements she has probed every aspect of oprah winfrey s life and it is as if she s written the most extraordinary segment of the oprah winfrey show ever filmed one in which oprah herself is finally and fully revealed there is a case to be made and it is certainly made in this book that oprah winfrey is an important and even great figure of the twentieth and twenty first centuries but there is also a case to be made that even greatness needs to be examined and put under a microscope fact must be separated from myth truth from hype kitty kelley has made that separation showing both sides of oprah as they have never been shown

before in doing so she has written a psychologically perceptive and meticulously researched book that will surprise and thrill everyone who reads it

this text presents an introduction and a reference source of terms in the writing of biographies autobiographies and related literature

follows her career and personal life from childhood through her real life role as a senate wife

the biographical turn showcases the latest research through which the field of biography is being explored fifteen leading scholars in the field present the biographical perspective as a scholarly research methodology investigating the consequences of this bottom up approach and illuminating its value for different disciplines while biography has been on the rise in academia since the 1980s this volume highlights the theoretical implications of the biographical turn that is changing the humanities chapters cover subjects such as gender religion race new media and microhistory presenting biography as as a research methodology suited not only for historians but also for explorations in areas including literature studies sociology economics and politics by emphasizing agency the use of primary sources and the critical analysis of context and historiography this book demonstrates how biography can function as a scholarly methodology for a wide range of topics and fields of research international in scope the biographical turn emphasizes that the individual can have a lasting impact on the past and that lives that are now forgotten can be as important for the historical narrative as the biographies of kings and presidents it is a valuable resource for all students of biography history and historical theory

the 1 new york times bestselling controversial portrait of the british royal family as told from behind the palace walls for fans of netflix s the crown and all royal watchers they are the most chronicled family on the face of the globe their every move attracts headlines now kitty kelley has gone behind the scenes at buckingham palace windsor castle and kensington palace to raise the curtain on the men and women who make up the british royal family queen elizabeth prince charles princess diana here are the scandals of the last decades the doomed marriages and the husbands wives lovers and children caught in their wake and damaged beyond repair no one is spared

categorizing hundreds of popular biographies according to their primary appeal character story setting language and mood and organizing them into thematic lists this guide will help readers advisors more effectively recommend titles read on biography reading lists for every taste is that essential go to readers advisory guide filling a gap in the growing readers advisory literature with information about 450 biography titles most published within the last decade but also including some classic titles as well the book focuses on life stories written in the third person with subjects ranging from individuals who lived in ancient times to the present day hailed from myriad nations and gained fame in diverse fields the contents are organized in order to facilitate identification of read alike and easy selection of titles according to appeal features such as character story language setting and mood written specifically with librarians and their patrons in mind this readers advisory title will be invaluable in public high school and college libraries

author of his own controversial unauthorized biography of armand hammer steve weinberg here shows how a new generation of biographers is revealing the lives of powerful individuals in dramatic and important new ways trained as investigative journalists today s writers have entered a domain once dominated by university scholars unlike their more academic predecessors who often wrote nonjudgmental books on the public lives of long dead individuals these new biographers are willing to tackle such powerful living subjects as nancy reagan henry kissinger hugh hefner pete rose and fidel castro few of these books are adoring without cooperation from their subjects and sometimes under threat of lawsuit these writers are probing into private lives and enabling readers to make up their own minds about public figures tracing the evolution of the craft of biography up to the present day weinberg draws on interviews with some of today s best biographers as well as his own experience with the hammer biography to highlight the careers of some of the writers whose work exploded the boundaries of traditional biography when robert caro became the first journalist to win a pulitzer prize for biography for his book on robert moses it marked the dawn of a new approach to the craft weinberg also explores the techniques of philadelphia inquirer journalists donald barlett and james steele whose jointly authored biographies of howard hughes and nelson rockefeller mark another sign of how far the genre of biography has come the book is enriched by samples of investigative biography at its best including a scathingly honest profile of the reigning queen of unauthorized biography kittykelley and calvin trillin s fascinating new yorker profile of the miami herald s inimitable police reporter edna buchanan the living of a life is more difficult than the chronicling of it but the

chronicling is certainly no simple task writes weinberg telling somebody else s life fully fairly and compellingly is probably an impossible task but it is important to keep pushing the limits of the possible for writers reviewers publishers and general readers telling the untold story is a fascinating look at how a new kind of biographer has forever changed our expectations of the genre and continues to push biography to exciting new limits

from the first lady of unauthorized tell all biography this is the first real inside look at the most powerful and secretive family in the world from senator prescott bush s alcoholism to his son george herbert walker bush s infidelities to george walker bush s religious conversion shady financial deals and military manipulations kitty kelley captures the portrait of a family that has whitewashed its own story almost out of existence

from marilyn to mussolini people captivate people a e s biography best selling autobiographies and biographical novels testify to the popularity of the genre but where does one begin collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians each entry includes a brief profile autobiographical and primary sources and recommended works short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

this book is very tough president donald trump the bush crime family smashes through the layers of lies and secrecy that have surrounded and protected our country s most successful political dynasty for nearly two centuries new york times bestselling author roger stone lashes out with a blistering indictment exposing the true history and monumental hypocrisy of the bushes in stone s usual go for the jugular style this is a no holds barred history of the bush family comprised of smug entitled autocrats who both use and hide behind their famous name they got a long overdue taste of defeat and public humiliation when jeb s 2016 presidential bid went down in flames besides detailing the vast litany of jeb s misdeeds including receiving a 4 million taxpayer bailout when his father was vice president as well as his startlingly close alignment with supposed enemy hillary clinton stone travels back to bush patriarchs samuel and prescott right on through to presidents george h w and george w bush to weave an epic story

of privilege greed corruption drug profiteering assassination and lies a new preface to this paperback edition features explosive information including the family's machiavellian plan to propel jeb's son george prescott bush forward as the family's next political contender the bush crime family will have readers asking why aren't these people in prison

an interdisciplinary quarterly

biography is one of the most popular best selling and widely read of literary genres but why do certain people and historical events arouse so much interest how can biographies be compared with history and works of fiction does a biography need to be true is it acceptable to omit or conceal things does the biographer need to personally know the subject must a biographer be subjective in this very short introduction hermione lee considers the cultural and historical background of different types of biographies looking at the factors that affect biographers and whether there are different strategies ethics and principles required for writing about one person compared to another she also considers contemporary biographical publications and considers what kind of lives are the most popular and in demand about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

the story of black emancipation is one of the most dramatic themes of american history covering racism murder poverty and extreme heroism figures such as malcolm x and martin luther king are the demigods of the freedom movements both film and household figures this major text explores the african american experience of the twentieth century with particular reference to six outstanding race leaders their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned the book also examines the grass roots of black protest movements in america paying particular attention to the major civil rights organizations as well as black separatist groups such as the nation of islam

a deeply reflective memoir weaving together the personal story of hester kaplan's acclaimed biographer father and his fraught effect on her artistic development with a rich portrait of twentieth century intellectual life and a

meditation on family intimacy identity and the art of writing twice born opens with the death of hester s father justin kaplan known for his award winning biographies of mark twain and walt whitman despite his relatively prolific output justin rarely wrote or said much about himself even to his daughter standing at his open casket hester has the realization that while alive her father never looked her in the eyes hester takes on the challenge of piecing together as intimate a biography of her own father as possible comparing his story to the lives of his biographical subjects and dissecting the various personas he presents to the world from which the name dad daddy or even father is conspicuously and painfully absent parallel to justin s story runs hester s own journey of development as a writer and a thinker which begins in the shadow of not only her talented father but also her novelist mother and the fiercely protective union the two of them had built often to the exclusion of their own children in sensitive intimate writing kaplan paints a rich picture of the twentieth century literary world that she grew up in all while reflecting on the deceptive nature of memory the loneliness of creative pursuits and the dovetailing paradoxes of biographical and autobiographical writing

this timely and expansive biography of wole soyinka the nigerian writer nobel laureate and social activist shows how the author s early years influence his life s work and how his writing in turn informs his political engagement three sections spanning his life major texts and place in history connect soyinka s legacy with global issues beyond the borders of his own country and indeed beyond the african continent covering his encounters with the widespread rise of kleptocratic rule and international corporate corruption his reflection on the human condition of the north south divide and the consequences of postcolonialism this comprehensive biography locates wole soyinka as a global figure whose life and works have made him a subject of conversation in the public sphere as well as one of africa s most successful and popular authors looking at the different forms of soyinka s work plays novels and memoirs among others this volume argues that soyinka used writing to inform mobilize and sometimes incite civil action in a decades long attempt at literary social engineering
