combining scholarship with interpretations based on teaching research and writing this text tells the story of the american civil war and reconstruction it describes the social economic political and ideological conflicts that led to a unique tragic and transitional event in american history

if the u s army s current experience in ongoing overseas operations like those in iraq and afghanistan are any indication reconstruction has become an integral part of the american way of war and judging from the disappointing results of reconstruction efforts that such efforts have had on the course of these wars there is much lacking in the army s understanding of reconstruction itself and the role that it will likely play in all future operations especially in counterinsurgencies coin p ix
