section 6 of the human rights act hra makes it unlawful for public authorities to act in breach of convention rights uk courts have adopted a restrictive interpretation of the meaning of public authority potentially depriving numerous often vulnerable people from the human rights protection afforded by the hra there has been little evidence of progress since the previous report on this matter hl 39 hc 382 7th report session 2003 4 isbn 9780104004173 chapter 2 examines developments in case law since 2004 and the committee considers the government s 2005 guidance on contracting for services in the light of the human rights act takes a very negative approach to the difficulties facing the use of contracts to secure better the protection of human rights lacks accessibility and is difficult to understand and has little or no influence on the procurement policies of local authorities in chapter 3 the committee considers the case for further action to overcome the problems arising from a narrow interpretation of public authority it concludes that the practical implications of the current case law are such that some service users are deprived of a right to an effective remedy for any violation of their convention rights the committee has not seen any convincing evidence that providers would leave the public services market if they were subject to the duty to

act compatibly with convention rights despite the government's premature and unsupported concerns about market flight in chapter 4 the committee considers steps which could be taken to resolve the problems identified including use of legislation to clarify the meaning of public authority in section 6 hra through a separate supplementary and interpretative statute
