a tremendous piece of research conducted over ten years in which are listed in alphabetical order the names of over 60 000 officers of the british empire who died during the great war including nurses and female aid workers based on the cwgc registers the information provided includes not only that shown in officers died but also the place of burial or commemoration the alphabetical listing means that looking up a name does not require prior knowledge of the regiment as in officers died though this information is given as well as cross reference to the relevant page number in officers died

vols for 1895 include official register of the land and naval forces of the state of new york
1895
