extreme how to the enthusiast s guide to home improvement cover

my book has been twenty years in the making i have been gathering information and

resources for the consumer there are many pool companies out there taking advantage of their customers whether it be finishing their pool in the appropriate time or not finishing their pool at all and running off with their money and leaving the customer in complete distress i have seen this happen with many pool companies in my thirty five year experience in the pool industry my book will give you the tools to help you build your very own custom dream pool for your friends and family to enjoy for many years if you are not building your own pool and are going to hire a pool contractor this is a great guide to make sure your pool builder is building a quality pool for you by using this book and building your own pool you could save yourself tens of thousands of dollars which is put back into your pocket instead of paying the big company overhead so homeowners are going to love this book pool contractors are going to hate this book but nobody will ever forget this book thank you very much

a guide to selecting installing and maintaining an above ground swimming pool
