completely updated and revised this eleventh edition arms managers with the business tools they'll need to succeed. The book presents managerial concepts and theory related to the fundamentals of planning, leading, organizing, and controlling with a strong emphasis on application. It offers new information on the changing nature of communication through technology. Focus is also placed on ethics to reflect the importance of this topic especially with the current economic situation. This includes all new ethics boxes throughout the chapters. An updated discussion on the numerous legal law changes over the last few years is included as well. Managers will be able to think critically and make sound decisions using this book because the concepts are backed by many applications, exercises, and cases.

The technical program of the first ICTES 2018 consisted of 114 full papers aside from the high quality

technical paper presentations we also held workshop and clinic manuscript that was carried out before the main track aims to strengthen the ability to write scientific publications coordination with the steering chairs dr kadek suranata s pd m pd kons and the members of organizing committee is essential for the success of the conference we sincerely appreciate all the advisory boards for the constant support and guidance it was also a great pleasure to work with such an excellent organizing committee team for their hard work in organizing and supporting the conference in particular the scientific committee led by cand dr robbi rahim m kom have completed the peer review process of technical papers and made a high quality technical program we are also grateful to students conference chairs were leading by ida ayu made diah paramiswari for their support and all the authors who submitted their papers to the first ictes 2018 we strongly believe that ictes conference provides a good forum for all academicians researchers and practitioners to discuss all educational science and technology aspects that are relevant to issues and challenge for sustainability in the 4th industrial revolution we also expect that the future ictes conference will be as successful and stimulating as indicated by the contributions presented in this volume
