Then either use preset study resources or personalize the product through easy-to-use tags and filters to prioritize your study time, make and review flashcards, review related content, and track your progress with concept tracker—all in one place.

Twenty-nine collected essays represent a critical history of Shakespeare's play as text and as theater, beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991. The criticism centers on three aspects of the play: the love/friendship debate,

Biblical Perspectives on Leadership and Organizations links biblically based principles to the study of organizational practices by examining topics including motives, meaningful work, and spiritual leadership from a biblical perspective integrated with findings from contemporary research.

Womenpreneurs 21st Century Success Strategies will appeal to three groups of interested readers. The first consists of higher education faculty teaching courses in management, entrepreneurship, and women's studies, and directors of professional development workshops interested in acquiring a supplemental readings book. The second consists of women in the workplace, those contemplating entry, parents who want to provide daughters with the best guidance, as well as men and significant others who want those they love to have a safer navigational journey and recognize that the work environment they will enter is not a level playing field. The third group includes intrapreneurial and entrepreneurial women in all stages of personal and venture development. For these people, the book will serve as a valuable resource and guide. Major

themes in the book include the nature of the changing workplace the challenges of organizational life career strategies entrepreneurship home and family balance and tactics for navigating in a turbulent economic climate
