this set includes articles from the four main fields which have influenced the study of mergers and acquisitions economics finance strategic management and human resource management featuring the key papers by individuals who shaped the field the collection presents these formative pieces in thematically grouped sections including coverage of perspectives on the modern business corporation and the role of mergers and acquisitions historical financial strategic and management causes of mergers and acquisitions activity performance impact of mergers and acquisitions activity public policy and the corporation the set features a comprehensive index and original introductory material

finally a comprehensive volume on the management of corporate acquisitions that summarizes contemporary research and that moves what we know about acquisition management a step further the book encompasses innovative works from several countries related to a variety of issues managerial motives the role of acquisitions in competitive strategy as well as organizational and political processes unlike several other works on acquisitions this book emphasizes the most critical issue faced by managers today how to manage successfully already acquired companies and operations both researchers managers and students of strategy and organization will find this book an important supplement

leadership as a way of focusing and motivating a group or organization to achieve its aims is a much discussed but often misunderstood concept this comprehensive textbook introduces the subject for masters level students building on the success of the first edition this text utilises an easy to follow map based approach to take the reader on a journey through the various fundamental dilemmas apparent within leadership studies dilemmas such as is a leader born or made how are tensions between ethical dilemmas and economic self interest resolved how does a leader s desire for control balance with the need to empower members of the organization student friendly features new to this edition include a wealth of leadership cases videos and web based content regularly updated so that the book can be studied in the context of the most pressing contemporary leadership issues

no detailed description available for cultural dimensions of international mergers and acquisitions

just as mergers and acquisitions begin to take off once again this book reminds us that the emotional side of business is often at the heart of success and failure with a terrific mix of case studies and in depth conceptual thinking managing emotions in mergers and acquisitions addresses the most fundamental of all issues in m as how and why people sometimes disrupt the best merger plans simply because they are well people sydney finkelstein professor of strategy and leadership at the tuck school at dartmouth college and author of why smart executives fail this is a very welcome addition to our knowledge on m a process this is an in depth study on emotions how these are effected due to m a activity in two firms and how they influence the process itself it helps us to understand what emotions are how we can deal with them and why do m as so often fail it offers state of the art knowledge on this complex phenomenon the four cases present in depth and extremely rich insight into how emotions actually work and influence the success failure in m a process in conclusion it is a timely and innovative book which is a must read for anyone interested in mergers and acquisitions pervez ghauri university of manchester uk research suggests that an increasing number of people experience organisational changes such as mergers and acquisitions as highly emotional life events indeed given that as the authors prove 70 of all mergers and acquisitions fail to reach their initial goals largely because of neglected people issues it is a must for every manager and m a researcher to understand the emotional side of such change processes this fascinating book explains how managerial behaviour and communication styles influence the emotions of

employees and affect their readiness to contribute to a successful post merger integration it combines emotion theories from other disciplines with recent findings and offers practical implications through illustrative case studies academics and practitioners will find the combination of management literature with psychology and sociology literature of great interest

a sociedade anônima é a forma jurídica mais utilizada para os grandes empreendimentos empresariais e a segunda mais utilizada em geral ficando atrás da sociedade limitada além disso trata se do único tipo societário que pode captar recursos junto à poupança popular no mercado aberto de ações daí a inegável relevância de estudar a s a

here s a guide that shows business people at all levels from clerks to ceos how to stand out from the crowd as the one employee who can make things happen packed with hundreds of tips and tactics that show the reader how to look act and sound more professional than others be better prepared for both routine and unexpected duties become more knowledgeable and competent outshine co workers with creative skills in short become the most dynamic and valued employee in the office

this was the first mainstream organizational behaviour text on the market and continues its tradition of being the most current and up to date researched text today the author fred luthans is well known in this field and is the fifth highest publisher in the academy of management journal he continues to do research in the area of organizational behaviour this text is aimed at professors who take a research based and conceptual approach to their ob course

the author of workplace 2000 provides a new blueprint for the companies of tomorrow along with survival information for working americans who find themselves at the center of change beyond workplace 2000 explains how the company of the future will be less mechanistic and more organic interacting continuously with its environment and its customers and thriving on chaos and non stop change
