the book you are about to read is a collection of deep and
controversial texts they all deal with the strange phenomenon
called absurdity life is not about logics following reasonable
ways it rather has absurd faces at least our perception tells us
that story and we have no difficulties to follow although we
struggle life is absurd really is there not a divine plan isn t
absurdity a sign of the absense of the divine a sign of the
devil a satanic agenda this is the reason i put those texts
together giving readers an easy access to material other
thinkers share with us for both experience and perception of the
absurd has moved humans at all times the absurd is indeed an
important topic in human s life experience there is no real
answer on the why of absurdity if we are honest we do not know
much about it but we can read what humans have written and
thought that means listening to the voices of our ancestors they
often suffered from absurdity in life too and by sharing their
experiences in books and written witnesses they hoped their
children had a better insight and perception and finally hope so
go and read and look how your inner feelings and perceptions are

affected how some will get clear and some will fade away you must give yourself time to digest what you have read go and read and think for yourself always you must find answers for yourself may your journey lead you to deep joy and peace nothing else was my intention publishing this sourcebook
