indiana jones tries to save his father from the nazis as they all search for the holy grail

very short highly anecdotal memoir of a machine gun officer s wwi adventures in france the balkans and finally with allenby across arabia many of the anecdotes are entertaining even moving this book does a decent job reminding us that allenby s army did most of the heavy lifting while the threat of lawrence s band on the flanks or cutting down a column on the move made the turks quick to retreat rather than get boxed in at the end of the campaign one is left wondering how many men from gilbert s unit survived the whole war first in the trenches of france a few months of combat near salonika and finally enduring the very harsh conditions and lack of supply in the middle east
