yahweh the lord god and his son yahshuah jesus christ made statements with regard to eschatology that have been spiritualized for over a millennium which has led to the belief in universalism the belief that yahshuah died for everyone well after one studies the original languages of the hebrew aramaic and greek the message of the kingdom of god was preached to and accepted by a certain house in the bible the other house rejected this message and yahshuah punished that house by taking the kingdom away from them and giving it to another nation bringing forth fruit there are only the house of israel the house of judah and the house of david mentioned in the bible all three existed then as they do today however most of today s babylonian priesthood churchianity refuses to accept the secular historical position with regard to the house of israel and who they are today the people groups which yahweh and yahshuah addressed still exist today however these people are all mixed up and known by different names but they do exist this book goes back to the origin of these people groups in the bible and brings them forward to the present using their old names in order to understand eschatology this brings us to the major question of is the bible only about israel and if so how does it affect our eschatology today this book answers these hard questions

contemporary history and progressive revelation regarding the hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of revelation which does not disturb the historicist s view that the papacy is the antichrist under this new interpretation john s use of recapitulation was modest as compared with the traditionalist s view the new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the laodicean church the autumnal festivals and the the time of the end in daniel 8 17 the correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative as is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of god and a reproof for those who walk in darkness revelation 1 3

the bible is the inspired word of god and every believer should study it in order to know the rich and vast content of god s divine provisions when god speaks he does so through his established eord therefore we must study the bible in a proper way in order to let the word of god dwell richly in our hearts in order to study the bible we first must be proper persons having passed through the necessary spiritual training under the lord s leading and guiding we must also use the right methods many good books have been printed on how to study the bible but most pay attention only to methods of studying the bible they do not pay enough attention to the person who studies the bible even with the right methods we can receive very little in our study of the bible if our person is not proper before the lord
