feeling abandoned by god and others occurs in our life let s learn how to see that abandonment does not occur for the christian just more intimacy with god

even when painful

i truly believe that god will hear the slightest little cry of lord please grant revival we will begin to be heard according to our faith i can well imagine heaven's exclamation behold they are praying at last instead of just talking to one another in a prayer meeting or displaying their doctrines they are actually praying they are beginning to pull on the ropes of the promises that is to begin to draw upon the cords of grace as if they were the bells of a church tolling in heaven ringing out the promises of god such praying will finally respectfully demand the attention of the almighty leaving him with no alternative other than to look down and grant the requests god will hear our heart cries when we really develop a longing for his presence however there is a price to be paid that many are not willing to pay god is a holy god before we can come into his very near presence there is a time of preparation walking into the presence of god requires a time of sanctification a time of consecration a time of dedication and a time of abandonment god cannot and will not bring you into his presence if you are living in a state of sin and rebellion however if you are willing to pay the price he is ready for you when you get to that point of total sanctification total consecration total dedication and total abandonment to christ you will see mountains start to move it is amazing how those moments of humility pain and emotion in his presence not only bring about victory in the heavenly realms but they also give us strength to pick up and move forward to continue partnering with him in advancing his kingdom laments touch the heart of god just like he heard david's and habakkuk's he hears our cries he hears the cry of the broken he hears the cries of the hungry and the thirsty not physical hunger and physical thirst but that of the spirit habakkuk 1:14 o lord how long shall i cry and thou wilt not hear even cry out unto thee of violence and thou wilt not save why dost thou shew me iniquity and cause me to behold grievance for spoiling and violence are before me and there are that raise up strife and contention therefore the law is slacked and judgment doth never go forth for the wicked doth compass about the righteous therefore wrong judgment proceedeth psalm 13:1-4 how long wilt thou forget me o lord for ever how long wilt thou hide thy face from me how long shall i take counsel in my soul having sorrow in my heart daily how long shall mine enemy be exalted over me consider and hear me o lord my god lighten mine eyes lest i sleep the sleep of death lest mine enemy say i have prevailed against him and those that trouble me rejoice when i am moved that is what this book is all about this book is to help you by giving you some tools to become more sanctified more consecrated more dedicated and more abandoned to jesus we will examine many through god's word how we might become more like him and draw ever closer to him don't give up don't get defeated he is more nearer than you think even now he is calling you to come come nearer to me so let's get a heart cry for god's purposes in our lives and in the world around us and let's see him to amazing things in our midst

this on himself he alone had to bear the burden of his undoing that is why he is in this state isolated broken and in personal solitary confinement zombie like he is a reflection of what could have been but never will be how did he go from miracle child to spiritual abandonment events sift through his mind like freshly brewed coffee without a filter as he encounters the rush of situations he faced over the years where did his faith take a turn from being childlike believing in the healing power of prayer and the tenants of faith to a place of spiritual bankruptcy and psychic homicide author robert insley has provided over fifteen years of managerial and professional counseling to those hurt by life's traumas and consulted with athletes and coaches to enhance performance outcomes his research for private christian organizations led to the development of a women's recovery center and provided clinicians with insight into intimate partner violence rob currently resides in kentucky with his beautiful talented daughter brianna

but for god whether we believed that we were abandoned at conception abandoned in adolescence marriage or divorce or possibly even abandoned by our church we are never abandoned by god in desperation and upheaval we may have abandoned our children abandoned by abortion abandoned self or been abandoned by our children but we were and are never abandoned by god god knows the plans that he has for us his will to be done on earth as it is in heaven

the writings of jacques ellul have brought him into the first rank as theologian and social critic martin marty commented that if he had to introduce one man from the protestant world to tell the church what its agenda should be that man would be ellul the eminent frenchman now brings us his most profound most moving theological statement for years jacques ellul tells us in his preface he had wanted to write a book on the age of abandonment for it seemed to him that both society and the church had reached that point described in scripture when god turns his back and is silent but when he came to elaborate this theme ellul found himself inexplicably writing on the theme of hope despite the fact that his analysis of society remained unchanged hope was now no longer a matter of intellect but a word asked by god of the heart for its salvation more than ever before in this book jacques ellul shares with readers not only the darkest forebodings of contemporary man's soul but also his own struggle to emerge from despair to a stronger level of christian faith and hope he writes of hope not in the vein of moltmann and metz but in a highly original and penetrating manner

america is quickly eroding as a nation our political economic and social structures have collapsed and life as we know it is quickly disappearing to correct our decline republicans argue that we need less government and democrats argue that we need more government both parties claim understanding but apparently neither has wisdom unfortunately we have failed to consult god in our attempt to recover god s word provides a clear illustration regarding where america is politically economically and socially in genesis and exodus the demise of america parallels almost perfectly with the demise of the israelites in egypt the similarities are eerily disturbing if god s word is true that we reap what we sow then it is equally true that we like the israelites control the harvest the israelites harvest included 430 years of bondage and it is becoming increasingly apparent that america s harvest will result in nothing less but remember we controlled the harvest
