human consciousness but here and there its presence has been felt directly on the earth plane usually hidden away from the chaos and darkness of the world s busy highways and byways the masters have remained anonymous to all but a few worthy souls who have dedicated themselves selflessly to the laws of love and truth and have served humanity humbly in a thousand different ways throughout history these are the disciples of the masters souls who act as instruments stepping down the powerful frequencies of pure love into digestible portions that humanity can use to brighten its way along the journey home to the christ consciousness one such soul is edith bruce this little book spiritually rich in wisdom and timely in terms of current world changes has been assembled from a series of channeled readings given through the reverend edith bruce by the great brother sisterhood of light these readings were then reconstructed in such a manner as to provide continuity

the wisdom and knowledge the frequencies of love and light shall expand the higher self of all who integrate the words spoken within the pages of this enlightenment journal the teachings and techniques channeled through infinite masters shall awaken your inner oneness of consciousness and so allow your infinite journey to begin
