it's hard to imagine a good life without friends but why is friendship so valuable what is friendship at all what unites friends and distinguishes them from others is the preference given to friends rationally and morally justifiable this collection examines answers given by classic philosophers and offers new answers by contemporary thinkers

a fascinating study of friendship looking first at friendships in childhood and the challenge of maintaining them as adults barnard skilfully explores different types of friendships from the personal to the social and discusses the extent to which they create and are created by the societies within which they exist as a child i found friendships alluring and confusing even frightening what would it be like to have someone you could trust like that my upbringing was socially and demographically isolated i couldn't do friendships i was sombre and bespectacled to my delight at infant school a girl called dawn invited me back for tea the return invitation saw dawn in our dilapidated house choking

on a bay leaf because she had been too embarrassed to ask why there was a leaf in her food and had tried to swallow it that was the end of that alliance and perhaps the start of my interest in trying to work out this elusive potent thing called friendship

this book rethinks the anthropology of friendship from the perspective of theology and disability and suggests the respect for human dignity and the person's vulnerability as the criterion in reconsidering such an anthropology the reality of disability is not only the reality of being in the world but also concerns the concept of the meaning of otherness and being created as an image of god the constructive critique that the emergence of disability as a human condition posits to theo anthropological and ethical concepts is the quest of the renewal of theo anthropological and ethical knowledge on the meaning of disability otherness and friendship the theological and anthropological entities such as disability and friendship are interconnected in a sense that the meaning of the one needs to be explained in the light of the other and vice versa the renewal of certain anthropological categories in such regard is a search for a deeper understanding of humanity not apart from but in light of the presence of disability the book examines the anthropological and theological systems regarding the theme of friendship and disability

this book explores why and how thomas hobbes the 17th century founder of political science contributed to the modern marginalisation of friendship a concept that stood in the foreground of ancient moral and political thought and that is currently undergoing a revival the study shows that hobbes did not question the occurrence of friendship rather he rejected friendship as an explanatory and normative principle of peace and cooperation hobbes's stance was influential because it captured the spirit of modernity its individualism nominalism practical scepticism and materialism hobbes's legacy has a bearing on contemporary debates about civic international and global friendship
