every year over 5000 royal engagements take place around the world from the queen s famous summer garden parties to the mysterious world of the privy council and high profile overseas tours but little is widely known about the inner workings of the institution that lies at the very heart of the british nation for the first time ever the monarchy takes the reader behind the scenes meeting the people that keep the royal machine running like clockwork with unprecedented access to the key players and

organizations involved the monarchy follows the working life of the queen over the course of a whole year both home and abroad ever wondered who opens the queen's mail who pays the bills or even how the royals follow the score in the ashes alongside such trivial matters sit weightier concerns such as audiences with the prime minister the formal honouring of bravery and excellence and the sensitive issue of the royal response at times of controversy or crisis accompanying a major bbc1 television series the monarchy provides a fascinating insight into the public and private lives of this most familiar of families written by the daily mail's robert hardman and lavishly illustrated with exclusive colour photographs this book will appeal both to avid royal watchers and anyone fascinated in the history and heritage of the united kingdom

a magnificent tribute to the life and reign of queen elizabeth ii who is set to become the longest reigning british monarch and a celebration of the british royal family the queen and the royal family is a stunning visual guide to the queen from her childhood to today telling the story of the house of windsor including events such as the royal wedding of prince william and kate middleton and profiles on key people such as princess diana and prince harry right up to the birth of william and kate's second child this is the complete guide to the world's most famous royal family includes the complete history of the kings and queens of england and scotland tracing the line of succession to the throne this is the perfect ebook for anyone who loves the queen and royal family or is interested in the history of the british monarchy

where does the queen live who will be the next king does prince george have any pets find the answers and much more in this concise introduction to the royal family covering the most senior royals how they are related their homes and much more you'll also discover some cool facts about the family find out who prince philip once called a plum pudding and which royal was in the olympics

a compilation of miscellany about great britain's royal family over the centuries and about important places and buildings in the monarchy's history

the royal family is the original coronation street a long running soap opera with the occasional real coronation thrown in its members have become celebrities like upmarket versions of film stars and footballers but they have also become a byword for arrogance entitlement hypocrisy and indifference to the gigantic amount of public money wasted by them the monarchy itself is an important part of our constitution with considerable influence on the kind of nation we are yet you will struggle to find much in the way of proper journalism that examines the monarchy in the way that their position and influence merit instead we are fed a constant diet of sickeningly

obsequious coverage which reports their activities with breathless and uncritical awe in this book former government minister norman baker argues that the british public deserves better than this puerile diet and what do you do is a hard hitting analysis of the royal family exposing its extravagant use of public money and the highly dubious behaviour of some among its ranks whilst being critical of the knee jerk sycophancy shown by the press and politicians baker also considers the wider role the royals play in society including the link with house of lords reform and the constitutional position of the monarch which is important given prince charles s present and intended approach what makes this book so unusual is that baker is himself a member of the privy council the body that officially advises the monarch by turns irreverent and uncompromising and what do you do asks important questions about the future of the world s most famous royal family

are you a fan of the modern generation of royals how much do you know about the lives of prince william his wife catherine duchess of cambridge and the rest of the royal family if you re a fan then this is a great book which will give you fascinating information about royals both past and present separated into sections containing information on individual royals traditions of the monarchy kings and queens from history and of course queen elizabeth ii you will find more than 100 amazing facts inside

important themes and issues flow through the seemingly trivial chatter about royalty this book was the first serious study of royalty to emerge from this rhetorical perspective and now with a new preface remains relevant today

a magnificent tribute to the life and reign of queen elizabeth ii who is set to become the longest reigning british monarch and a celebration of the british royal family queen elizabeth ii and the royal family is a stunning visual guide to the queen from her childhood to today telling the story of the house of windsor including events such as the royal wedding of prince william and kate middleton and with profiles on key people such as princess diana and prince harry right up to the birth of william and kate s second child this is the complete guide to the world s most famous royal family it also includes the complete history of the kings and queens of england and scotland tracing the line of succession to the throne this is the perfect book for anyone who loves the queen and royal family or is interested in the history of the british monarchy

the british monarchy has long been a subject of fascination for many people television shows and films have been created to tell the history of influential long reigning monarchs such as queen elizabeth ii and royal weddings are televised worldwide this engaging look at british history examines past and present monarchs how

marriages such as the one between prince harry and meghan markle broke tradition and the controversy over whether or not britain needs a monarchy through sidebars annotated quotations maps and full color photographs readers will gain a deeper understanding of this popular historical topic provided by publisher

photographer chris jackson has been by the royal family s side on domestic visits and overseas tours for the past fifteen years resulting in an unparalleled photographic archive of the evolving british royal family occupying a front row seat to history jackson s assignments have taken him to the four corners of the earth to document the extraordinary breadth and devotion of the royals to causes such as cancer research mental health and hiv awareness in africa in his own words in captions and texts he reveals the magic as well as the logistics of what it s like to photograph the royal family the result is this unique collection of photographs of the modern british royal family the archive of this multi award winning royal photographer and current royal photographer of the year from the modern day fairy tale of the duke and duchess of cambridge s wedding to the births of prince george and princess charlotte and their soon to be new sibling to prince harry and meghan markle s historic marriage to countless royal tours in between this book presents the british monarchy and queen elizabeth ii its most enduring icon through the lens of one of its most trusted photographers whether it s prince george s first day of school the duchess of cambridge playing cricket in mumbai or the invictus games jackson records moments both large and small with a warmth and sincerity that has made him a media standout organized by theme from state occasions to charity works to a typical year in the royal diary this book celebrates fifteen years of the royals in intimate portraits of a singular family s role on the world stage at a unique moment in time

the british monarchy may be over a thousand years old but the house of windsor dates only from 1917 when in the middle of the first world war that was to see the demise of the major thrones of continental europe it rebranded itself from the distinctly germanic saxe coburg gotha to the homely and familiar windsor by redefining its loyalties to identify with its people and country rather than the princes kings and emperors of europe to whom it was related by birth and marriage it set the monarchy on the path of adaptation making itself relevant and allowing it to survive since then the fine line trodden by the house of windsor between ancient and modern grandeur and thrift splendour and informality remoteness and accessibility and influence and neutrality has left it more secure and its appeal more universal today than ever

everyone know that britain has a queen but who is she and what does she do how do you become a queen and who will be head of state next this book answers these questions as well as looking at the roles of other royal family members such as the duke of edinburgh prince charles and william and harry a timeline at the back of the

book shows the full history of the british royal family
