describes the characteristics and neurological bases of disorders that evil people commonly have discussing the personalities of figures such as adolf hitler and mao zedong and examining the malevolent behaviors of the author's sister

goldfrank's is the premier toxicology textbook that should be in every emergency department or poison center library whether you are a student resident or faculty there is something here for you if you are a toxicology fellow or poison specialist studying for your boards this is your go to book i highly recommend this work the journal of emergency medicine the best edition yet of the landmark text in medical toxicology a doody's core title for 2021 covering every aspect of poison management this indispensable case based resource has been thoroughly refreshed to deliver evidence based principles viewed through the lens of an active bedside clinical practice in no other reference will you find such a diverse roster of esteemed editors and authors who deliver expert insights into every type of toxicologic emergency

whether due to substance abuse or exposure to toxins fully referenced and supported by a cohesive organization and full color format goldfrank s begins with a historical perspective on medical toxicology principles and the general approach to the patient it then progresses to the fundamental principles of medical toxicology encompassing biochemical and molecular concepts the effect of xenobiotics on vital organs and body systems and toxicologic principles in special populations the eleventh edition of goldfrank s toxicologic emergencies is the most rigorous volume to date driven by a precise analysis of the latest medical literature and complex cases designed to facilitate differential diagnosis new to this edition additional cases and special considerations chapters designed to enhance clinical decision making and patient outcomes new antidotes in depth provides timely critical information on toxicologic treatment strategies new content on toxicogenomics explores its increasingly important role in predictive toxicology chapter ending bulleted summaries of key points updated coverage of synthetics such as k2 revised chapters on medical clinical and chemical toxicology include updated insights on poison emergencies treatment strategies and risk assessment tools

from the author of the costa shortlisted debut the other half of augusta hope comes the story of one girl s journey to find her birth mother and her realisation that mothers and family can be discovered in the most unexpected of places london 1980s though she has a comfortable privileged life eva martínez green is deeply unhappy the only child of an emotionally absent mother and a physically absent father eva has grown up in a cold unloving house but eva is convinced that all is not as it seems why are there no baby pictures of her why do her parents avoid all questions about her early years when her parents relationship crumbles eva begins looking for a different better life a proper family a perfect mother and importantly real love her desire to find where she belongs leads eva on a journey spanning years and continents and along the way she meets women who challenge her idea of what a mother should be and who will change her life forever praise for joanna glen s debut novel the other half of augusta hope a therapeutic dose of high strength emotion guardian it s going to be all over every book club in britain before you can say burundi the times full of the reality of hope and despair in everyone s lives miranda hart this gem of a novel entertains and moves in equal measure daily mail keep the tissues close good housekeeping an irresistible message of redemption and belonging red magazine heartening and hopeful jess kidd author of things in jars mesmerizingly beautiful sarah haywood author of the cactus an extraordinary masterpiece anstey harris author of the truths and triumphs of grace atherton gutsy endearing and entertaining deborah orr absolutely brilliant gavin extence author of the universe versus alex wood

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with

introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

dear mom who is called the heart of the home who wakes up at the crack of dawn to prepare for the day regardless of how they feel makes sure everybody else is taken care of first and always the last to make time for herself the multitasker who juggles multiple things throughout the day and the last to fall asleep at night mothers are celebrated worldwide and given passes due to being a mom the prayer warrior when it's time for war and the clean up woman when there's a mess to clean however what happens to the mothers who left their child but still want to receive the recognition for the everyday mom what happens when the relationship goes astray due to their absence or when the children struggle to connect with the reality of a broken relationship sharing these stories from the children perspective can provide hopes and even answers on how we can grow and heal together passing the baton is vital not only in this generation but generations to come these authors share the light and dark moments in this book in hopes to provide hope to many join us in making a difference with our stories in dear mom enjoy
