combining archaeology and social anthropology this historical and archaeological two
volume set constructs an integrated history of the anahulu valley in northwestern o ahu
that traces the cultural transformation in a typical local center of the hawaiian kingdom
founded by kamehame volume one is a historical ethnography and volume two is an
archaeology of history

the oxford handbook of quantitative methods in psychology provides an accessible and
comprehensive review of the current state of the science and a one stop source for
learning and reviewing current best practices in a quantitative methods across the social
behavioral and educational sciences

victorian literature s fascination with the past its examination of social injustice and its
struggle to deal with the dichotomy between scientific discoveries and religious faith
continue to fascinate scholars and contemporary readers during the past hundred years
traditional formalist and humanist criticism has been augmented by new critical
approaches including feminism and gender studies psychological criticism cultural studies
and others in twenty first century perspectives on victorian literature twelve scholars offer
new assessments of victorian poetry novels and nonfiction their essays examine several
major authors and works and introduce discussions of many others that have received less
scholarly attention in the past general reviews of the current status of victorian literature
in the academic world are followed by essays on such writers as charles dickens alfred
tennyson thomas hardy and the brontë sisters these are balanced by essays that focus on
writing by women the development of the social problem novel and the continuity of

victorian writers with their romantic forebears most importantly the contributors to this volume approach victorian literature from a decidedly contemporary scholarly angle and write for a wide audience of specialists and non specialists alike their essays offer readers an idea of how critical commentary in recent years has influenced and in some cases changed radically our understanding of and approach to literary study in general and the victorian period in particular hence scholars teachers and students will find the volume a useful survey of contemporary commentary not just on victorian literature but also on the period as a whole
