what do american poets mean when they talk about freedom how can form help us understand questions about what shapes we want to give our poetic lives and how much power we have to choose those shapes for that matter what do we even mean by we in this collection of essays peter campion gathers his thoughts on these questions and more to form an evolutionary history of the past century of american poetry through close readings of the great modernists midcentury objectivists late twentieth century poets his contemporaries and more campion unearths an american poetic landscape that is subtler and more varied than most critics have allowed he discovers commonalities among poets considered opposites dramatizes how form and history are mutually entailing and explores how the conventions of poetry its inheritance and its inventions sprang from the tensions of ordinary life at its core this is a book about poetic making one that reveals how the best poets not only receive but understand and adapt what comes before them reinterpreting the history of their art to create work that is indeed radical as reality

challenging the common perception of poets as standing apart from the mainstream of american culture robert von hallberg gives us a fresh and unpredictable assessment of the poetry that has come directly out of the american experience since 1945 who reads contemporary american poetry more people than were reading new poetry in the 1920s von hallberg shows how do poets respond to the public preoccupations of their readers often with fascination von hallberg put the poems of robert cretey and john ashbery together with the postwar outburst of systems analysis the 1950s tourist poems of john hollander adrienne rich w s merwin and james merrill are treated as the cultural side of america s postwar rise to global political power there are chapters on the political poems of the 1950s and 1960s and on robert lowell s sympathy forthe imperialism of his liberal contemporaries poems of the 1970s on pop culture especially edward dorn s slinger and some from the suburbs of the 1980s are shown to reflect a curious peace between the literary and the mass cultures

by 1940 the revolution we call modernism had run its course the battle against the nineteenth century had been won with time s help and the poetry of experimentation was so secure that it became a new academicism whereas we had gone out of our way in earlier decades to make a pact with the most radical poet of the nineteenth century walt whitman we accepted quite matter of factly our association with longfellow in fact it is part of the character of american poetry since 1940 to have made friends with everyone mark strand from the preface

an anthology of best love poems by american poets

excerpt from american poetry this book has been prepared for the purpose of encouraging the intelligent study of the history of american literature by assembling representative text of the poetry and adequate critical machinery to accompany it in making the selections two main points have been kept in mind first that taken as a whole the poems should be observable as an index both to the progress of american poetry and to the progressions of american thought second that they should fairly represent the chief characteristics of the authors in order to have them hit this latter mark it was necessary that they be ample enough to furnish material for real study of the successive poets and this fulness limited the number of units to twenty nine twenty five poets and four time groups songs epigrams and elegies of the seventeenth century almanac verse of the eighteenth and the lyrics of the revolutionary and civil wars not included in the works of the more important poets in surmountable copyright restrictions will account for the lack of a few late products by four of the best known poets and for the total omission of one or two others who could not be adequately represented these omissions however have only slightly disturbed the balance of the text the material aside from the text has been prepared with the aim of assisting the student to use his mind rather than his memory and of suggesting lines of study for him to follow the criticisms are therefore not offered as dogmatic finalities but as aids to reflection wherever they can be construed as representing the debatable opinions of the authors they will be of more service to the students who arrive at intelligent dissent from them than to those who mark and learn them with unthinking docility pains have been taken to indicate as far as possible the original places of publication in various types of periodicals from newspapers to annuals and a separate index of these data has been prepared the importance of this information and the deductions that can be drawn from it have thus far been almost wholly overlooked the editor will be grateful for corrections or additions about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an
