in this exceptional new second edition the author has retained much of her earlier experiences when emigrating to the united states but adds depth and detail to the life events that have currently influenced her social values attitudes and behaviors this is a supplementary textbook with the fundamental purpose of facilitating students in associating the understandings in their personal daily lives with larger social forces the main discussion focuses on cross cultural experiences and society with the understanding that time society and culture will always influence everyday lives the following topics are featured sociological theories and how different political and

economic systems influence ways of thinking everyday life and social interaction with others the importance of doing research projects collecting data and how to avoid common mistakes the comparison between chinese and american cultures and cultural shock how immigrants assimilate themselves into american society deviant behavior that may be considered universal comparison and evaluation of u s and chinese social stratification racial group issues comparison of u s and chinese sex and gender behaviors different approaches to the importance of family in cultures the influence of confucius versus christianity population issues including family planning and abortion and urbanization and its effect on social change replete with numerous illustrations the author provides a background of chinese history culture and current issues the book is especially important in the study of history immigration world cultures current american immigration and the socialization and assimilation by the dominant culture in a society this book serves as a significant resource for the general study of sociology and social sciences at all levels

this first ever humorous travel guide on china both dishes the dirt on the myriad travel mishaps that may befall any unsuspecting tourist and explains how to avoid them possible danger zones debunked include airports hotels hospitals taxis and bathrooms readers will learn essential skills like how to haggle exchange currencies cross the street decipher menus say useful phrases in chinese and more the guide comes complete with survival tips on etiquette a map and resource lists don't leave home for china without it veteran travelers qin and larry herzberg are chinese language and culture professors at calvin college in michigan

each motor vehicle jurisdiction in the united states has an established process by which it assesses the required knowledge of driver license applicants to determine whether they are able to operate their vehicles safely and thus qualify for a driver's license corollary to that assessment process is the jurisdiction's responsibility to provide drivers with the information for which they are to be held responsible during the licensing exam and subsequently while operating their vehicle on our nation's roadways the primary means of providing this information to drivers is the jurisdiction's basic driver license manual this study was directed at identifying best practices with regard to the basic driver license manuals produced by motor vehicle jurisdictions to identify best practices three types of information sources were consulted 1 driver license manuals produced by motor vehicle jurisdictions throughout the country 2 driver safety information produced by relevant government agencies and private organizations and 3 research news education and popular literature of 212 knowledge items recommended by the american association of motor vehicle administrators aamva for inclusion in driver manuals 119 were addressed by a majority 51 or more of the manuals reviewed and are considered best practices in subject matter content additional topics that should be considered best practices in subject matter content are intersection safety particularly with regard to

red light running sharing the road with trucks particularly emphasis on their no zones road rage and aggressive driving driver distraction seatbelt usage particularly with regard to the jurisdiction s primary or secondary seatbelt laws and following distance with emphasis on the need for a three or four second gap with regard to factors other than subject matter content it was found that most jurisdictional manuals 77 are smaller than the 8 1 2 in x 11 in size of the arizona manual with 48 opting for the compact 5 1 2 in x 8 1 2 in more than half the jurisdictions produce a version of the manual in spanish and more than a third of the jurisdictions produce a specialized driver manual directed at teen learners and their parents and encouraging parents active involvement in their teen s learning process

fortune makers analyzes and brings to light the distinctive practices of business leaders who are the future of the chinese economy these leaders oversee not the old state owned enterprises but private companies that have had to invent their way forward out of the wreckage of an economy in tatters following the cultural revolution outside of brand names such as alibaba and lenovo little is known even by the chinese themselves about the people present at the creation of these innovative businesses fortune makers provides sharp insights into their unique styles a distinctive blend of the entrepreneur the street fighter and practices developed by the communist party and their distinctive ways of leading and managing their organizations that are unlike anything the west is familiar with when peter drucker published concept of the corporation in 1946 he revealed what made large american corporations tick similarly when japanese companies emerged as a global force in the 1980s insightful analysts explained the practices that brought japan s economy out of the ashes and what managers elsewhere could learn to compete with them now based on unprecedented access fortune makers allows business leaders in the united states and the rest of the west to understand the essential character and style of chinese corporate life and its dominant players whose businesses are the foundation of the domestic chinese market and are now making their mark globally
