this volume presents the findings of a study which examined the way immigrant students in ireland learn english

the english language is currently used as a second or foreign language in those countries which had once been british colonies for example when united india was partitioned into two main countries india and pakistan it was intended that english would gradually be replaced as the language of administration in both countries however as the countries were also home to several regional languages attempts to introduce a sole official language and abolish english as the second official language have never succeeded in today s world english is the language of the cultural social and political elite offering significant economic political and social advantages to fluent speakers speakers of the english language automatically enjoy greater social status and have easier access to positions of power and influence learning and teaching the english language has therefore become a concern for those who cannot afford to study in native speaking countries or at local expensive english medium schools this book provides various government and non government educational and professional institutions with simple and practical language learning courses which fulfil the requirements of people who want to learn english it will be of great interest to a wide variety of readers including teachers language learners students linguistic departments general readers who are struggling to learn english and professionals who want to overcome the language barrier
