patrick kelly nationally acclaimed speaker and author of best selling book tax free retirement follows the key concepts and guidelines he developed with the new release of the retirement miracle a must read for anyone planning their retirement his user friendly guide describes the ability in which consumers can freely access their retirement dollars without being taxed and can grow their money without the threat of a market risk or growth kelly s powerful insight lays the foundations in which consumers can leave behind to their beneficiaries an income tax free inheritance

the retirement miracle by patrick kelly is a straightforward and engaging guide for anyone who wants to retire with confidence and peace of mind written in kelly s signature style lighthearted humorous and easy to follow the book strips away the intimidation often associated with retirement planning and offers readers a clear path forward rather than drowning you in financial jargon kelly

lays out practical strategies that emphasize safety growth and freedom at the heart of the book is the promise of growth without market risk kelly introduces readers to methods that allow their money to build steadily without the fear of losing it during sudden downturns for anyone who's watched their retirement savings shrink in turbulent times this message comes as both reassurance and hope he emphasizes the possibility of growing wealth securely while bypassing the rollercoaster of the stock market helping readers rethink what financial stability in retirement can really mean another pillar of kelly's approach is tax free access retirement often comes with the stress of wondering how much of your money you'll actually get to keep once taxes are applied kelly shares how to set up your finances so that you can access your savings tax free allowing retirees to enjoy the fruits of their labor without the constant bite of government deductions beyond personal use he also shows how these same principles can be extended to generational planning ensuring loved ones receive income tax free inheritances that preserve a family's hard earned wealth throughout the book kelly guides readers through these principles with stories analogies and a sense of humor that makes the content not just digestible but enjoyable he frames retirement as less of a dry financial puzzle and more of a rewarding game one you can win if you know the rules combining fresh lessons with a natural conversational tone the retirement miracle becomes more than a financial guide it's a blueprint for securing a future filled with stability joy and the ability to pass on a lasting legacy

for your heavenly father knows that you need all these things but seek first the kingdom of god and his righteousness and all these things shall be added to you matthew 6:32b-33 are you looking for an avenue where you can put your money safe with growth tax advantage and protection do you dream of a cash retirement for yourself that is tax free would you like to leave a tax free inheritance to your family when you are no longer around if the answer is a big yes then this book is for you likewise this book shows how giving saving and investing before spending is a blessed strategy toward wealth accumulation whether it is through man at work or money at work when god created man in his image he gave us tangible assets with a command and a blessing be fruitful and increase in number fill the earth and subdue it have dominion over genesis 1:27-28 when we work we are exercising our birthright our dominion for if we don't work neither should we eat 2 thessalonians 3:10

my biggest obstacle to wealth wasn't my poverty it was my arrogance keeping me poor nothing else i skipped all the introductions and all the conclusions in books i skipped past the exercises because i was too smart for them i didn't need them but recipes exist for a reason all i had to do was listen listen to those before me that already found the way i had to lose everything over and over again before i was willing to apply the lessons of the masters before me this isn't a story about poverty it's a story about how arrogance leaves us poor if not financially then mentally poor which is a worse place to be for a poor man with applied wisdom is better than a sedentary genius matthew morales

discover how a kid from the hood made it good not just financially but through reaching a higher spiritual plane in his fascinating work never be poor again matthew morales reveals the sometimes lucky sometimes nerve wracking journey from poverty to enlightenment and enoughness using laws of the universe and vulnerability matthew teaches how to respect and most importantly how to put into practice the way out of poverty mentally spiritually and financially the first book of its kind this book will redefine how self help books are written not many self help books take you on the journey of struggles and what it actually took to grow most are told from the perspective of the expert and what to do this is the opposite it takes you on an emotional rollercoaster as you experience the authors experiences of poverty and watch as he frees himself by the end giving you the satisfying feeling that you can do it too it connects directly to the hearts of the readers and is easier to relate to than any financial literacy book ever written before reviews thank you for this book it s a blessing i ve started to read it and i ve cried in the first chapter so many emotions in me your words are so inspired wow this is seriously a masterpiece hands down the best personal development book i ve ever read period seems like i read 100 books in one lots of experience put in just one book to be honest i will forever be grateful to you for sending me this book this has nearly saved me a decade of time i really wish i read this earlier from the moment i started reading i couldn t stop i without a doubt absolutely recommend everyone read this book i m so grateful for the existence of this book this book is gonna change the world i had so much fun reading this book and at the same time there have been many aha moments throughout all the book i was searching for further guidance in integrating money with my spiritual path this book arrived in perfect timing and offered me so many insights and tools i loved it you ll love it too

how can video games help you to become a better investor the world of video games and money have far more in common than you realize and like any game you can give yourself an edge to win investing can be a daunting and intimidating subject but it doesn t have to be this book takes a fresh approach to personal finance and self development that s both accessible and engaging using video game analogies to explain complex financial concepts in a way that s easy to understand regardless of your background or level of experience level up offers a modern dynamic perspective on investing that s tailored to the realities of today s markets no more outdated strategies or smug advisors in three piece suits it s time to level up your investment game and start winning this strategy guide is designed to take you through the 8 levels of your personal finances and build you into the confident investor you were always meant to be in these pages you ll discover how you can utilize the same rules of video games to enhance your own personal financial strategy detailed account and savings options to prioritize how to strategize building your wealth without giving up the things you love a guide to navigating the debt vs investment dilemma with a step by step walkthrough how to recognize and reveal the hidden enemies to your money in the game of investing this book is the cheat code

this work offers a comprehensive study in the life of christ from book preface

imagine how great life would be if you knew the money rules ahead of time and the tools you could use to create great financial success this book breaks the long standing taboo that it s not polite to talk about money right up there with politics sex and religion which means that money is not talked about at cocktail parties it s not talked about around the dinner table it s not talked about in the classroom or anywhere else for that matter until now years ago working as a financial professional i realized that many women had little to no education about personal finance that coupled with the fact that almost all women will have total control over their money at some point in their lives yet most feel completely unprepared for that set me on a mission to educate and empower women regarding their finances this book creates a place of inspiration and reference for all women who want more success in their relationship with money

an amazing wonderful and insightful perspective for global citizens acquiring and keeping wealth is like an archaeologist on an archeological dig finding undiscovered bone that impacts science forever additionally it s similar to a scientist who discovers a cure for a disease that saves millions of lives according to dr ralph steele acquiring wealth is a human right how to acquire and keep wealth is a treasure of gold for any person who desires to become wealthy this book provides a clear vision and understanding on the art of investing in yourself and others acquiring wealth is for the whole world masses not just for the few you have the right to be wealthy no matter where you live where you are from or where you were born you have the right to be wealthy it s your choice

the author predicts the shrinkage of social security the collapse of the pension system the long term decline of the housing and stock markets a great depreciation and higher employability for older workers with solid experience

from the author of the bestselling there s an angel on your shoulder come 20 unforgettable stories of ordinary people whose lives have somehow been changed by events so extraordinary that they can only be referred to as miracles
