Pastor and bestselling author Kyle Idleman had a startling revelation for too long he had been living as a fan of Jesus someone who tried to make Christianity seem as appealing, comfortable and convenient as he possibly could to others. Idleman decided something had to change he needed to embark on the journey of becoming a completely committed follower of God not just a fan. Fans want to be close enough to Jesus to get all the benefits but not so close that it requires sacrifice while followers are all in and completely committed to Christ. Not a fan gives you the tools you need to determine exactly where you stand when it comes to your relationship with Jesus no matter where you are in your walk with Christ. Not a fan calls you to consider the demands and rewards of being a true disciple with frankness and a touch of humor. Idleman invites you to examine your relationship with God determine if you're following Jesus or just following the rules. Pray the way Jesus prayed start truly living for the one who gave his all for you. This expanded and updated version of Not a Fan also includes a new introduction and an entirely new chapter about how to practically live out the book's core message. Join Idleman as he challenges you to take an honest look at your relationship with Jesus and discover what it really means to be a follower.

Being and becoming who he made you to be. Do you ever fail to connect God's mission of love, reconciliation and compassion to your daily life? God's message was simple and we've made it complicated allowing fear, shame, culture, locked language and traditions to stop us from aligning ourselves with God's heart for the world. In Made to Love Geoff Peters sheds light on the deeper story for why we are here and addresses the great divide between what we are called to do and what we actually do. He also lovingly points toward places where we as ministry leaders may have failed those we seek to serve based on research with Christians in seven countries and wrapped in the author's personal story and reflections. Made to Love challenges us to rethink the words and ideas we use to inspire disciples for kingdom service in our own neighborhoods and around the world.

In this examination of leadership and followership Sweet proposes an intentional shift from leadership cults to followership cultures. He critiques the issue of leadership obsession but focuses on reigniting a passion for the follow-me theme found throughout the Gospels and the entire New Testament.
