we are all astronauts the american architect and thinker richard buckminster fuller wrote in 1968 in his book operating manual for spaceship earth where he compared earth to a spaceship provided only with exhaustible resources while flying through space these words show the presence the phenomenon of the astronaut and the cosmonaut had in the public mind from the second half of the twentieth century on buckminster fuller was able to drive his point home by asking his audience to identify with one of the most prominent figures in the public sphere then the space traveler at the same time buckminster fuller s words themselves seem to have played a significant role in further shaping the space exploring human as a symbol and an image of humankind in general the twelve contributions in this book by authors from the fields of literature music politics history the visual arts film computer games comics social sciences and media theory track the development changes and dynamics of this symbol by analyzing the various images of the astronaut and the cosmonaut as constructed throughout the different decades of space exploration from its beginning to the present day

kramer was one of the most visionary musical thinkers of the second half of the 20th century in his the time of music he approached the idea of the many different ways that time itself is articulated musically this book has become influential among composers theorists and aestheticians now in his almost

completed text written before his untimely death in 2004 he examines the concept of postmodernism in music kramer created a series of markers by which we can identify postmodern works he suggests that the postmodern project actually creates a radically different relationship between the composer and listener written with wit precision and at times playfully subverting traditional tropes to make a very serious point about this difference postmodern music postmodern listening leads us to a strongly grounded intellectual basis for stylistic description and an intuitive sensibility of what postmodernism in music entails postmodern music postmodern listening is an examination of how musical postmodernism is not just a style or movement but a fundamental shift in the relationship between composer and listener the result is a multifaceted and provocative look at a critical turning point in music history one whose implications we are only just beginning to understand
