provides programs and materials from a multi faith multi cultural perspective to aid parents as the first educators to impart values and virtues

this book introduces the concept and basic vocabulary of virtues it helps children to recognize and label the behaviors which they are striving to develop when a child attains a virtue that trait will become almost habitual for them but it isn't always easy life produces many challenges and today's

culture often seems to oppose virtue however through faith example and practicing individual virtues a child will keep growing through adulthood planting more seeds of god's goodness along the way we hope you have fun introducing virtues to the children in your life this book is just the start be creative and don't forget to catch your children being good praise their every effort toward goodness and god likeness

the routledge guidebook to aquinas summa theologiae introduces readers to a work which represents the pinnacle of medieval western scholarship and which has inspired numerous commentaries imitators and opposing views outlining the main arguments aquinas utilizes to support his conclusions on various philosophical and theological questions this clear and comprehensive guide explores the historical context in which aquinas wrote a critical discussion of the topics outlined in the text including theology metaphysics epistemology psychology ethics and political theory the ongoing influence of the summa theologiae in modern philosophy and theology offering a close reading of the original work this guidebook highlights the central themes of aquinas masterwork and is an essential read for anyone seeking an understanding of this highly influential work in the history of philosophy

david hume is widely recognised as the greatest philosopher to have written in the english language his treatise on human nature is one of the most important works of moral philosophy ever written hume on morality introduces and assesses hume's life and the background of the treatise the ideas and text in the treatise hume's continuing importance to philosophy

an accessible introduction to the ideas of socrates through four of plato's most important works euthyphro apology of socrates crito and phaedo

when your base camp is overrun by zombies whom do you save if you cannot save everyone is it permissible to sacrifice one survivor to an undead horde in order to save a greater number of the living do you have obligations to loved ones who have turned these are some of the troubling

ethical questions you might face in a zombie apocalypse bryan hall uses situations like these to creatively introduce the foundational theories of moral philosophy covering major thinkers such as aristotle immanuel kant and john stuart mill this is an introduction to ethics like no other a practical guidebook for surviving a zombie outbreak with your humanity intact it shows you why moral reasoning matters as long as you still walk among the living the book is written entirely from the perspective of someone struggling to survive in a world overrun by the undead each chapter begins with graphic art and a field exercise that uses a story from this world to illustrate an ethical problem by considering moral controversies through the unfamiliar context of a zombie apocalypse the morally irrelevant factors that get in the way of resolving these controversies are removed and you can better answer questions such as do we have a moral obligation to help those less fortunate than ourselves is it ever morally permissible to intentionally kill an innocent person are non rational but sentient beings morally considerable equipped with further reading sections and overviews of the theories that you would usually cover in an introductory ethics course this one of a kind primer critically evaluates different procedures for moral action that you can use not only to survive but flourish in an undead world

in today s anxiety ridden stress infused world even a moment of quiet reflection has become a time consuming luxury most of us just can t afford how did we reach this point how did we lose our direction and sense of control and most important how can we reclaim our lives linda kavelin popov asked herself these same questions after the pressures of her own workaholic lifestyle nearly destroyed her now as cofounder of the international virtues project she helps others achieve a pace of grace a pace for our lives that can balance and sustain us physically and spiritually through a four part program that teaches you how to purify your life pace yourself practice the presence and plan a sustainable life a pace of grace offers simple ways to rediscover the essential elements of a life well lived complete with linda s ten rules for health this comprehensive guide is the

first step in recapturing the joy and vibrancy inherent in each of us

foreword by mike aquilina helping young people to form their character is an exciting endeavor that god has entrusted first of all to parents it requires delicacy and strength patience and joy and is not lacking in challenges it means helping children develop a concern for others teaching them to form relationships that are truly human and overcoming the fear of commitment educating children involves preparing them for the future a future that will always involve difficulties but also joys in the end it means preparing each child to respond fully to god s plan for his or her life the twenty one essays contained in the family virtues guide will help parents in this great task whether dealing with adolescent development issues discipline modesty passing on the faith or other parenting matters this effective parenting book covers it all with supernatural outlook and common sense written in an open ended style that empowers parents to find their own solutions it can be read straight through from beginning to end or by skipping to specific chapters according to one s interests and needs both young parents and those with more experience will benefit from the insights found here

provides suggestions for teaching values and character education through interdisciplinary curriculum

when robert pirsig s zen and the art of motorcycle maintenance was first published in 1974 it caused a literary sensation an entire generation was profoundly affected by the story of the narrator his son chris and their month long motorcycle odyssey from minnesota to california a combination of philosophical speculation and psychological tension the book is a complex story of relationships values madness and eventually enlightenment ronald disanto and thomas steele have spent years investigating the background and underlying symbolism of pirsig s work together and with the approval of robert pirsig they have written a fascinating reference companion to the original this guidebook serves as a

metaphorical backpack of supplies for the reader's journey through the original work with the background material insights and perspectives the authors provide it has become required reading for new fans of the book as well as those who have returned to it over the years

this book is an aid for educators and parents in understanding the importance of living a virtuous life hence it will assist you in teaching those entrusted to your care each section answers the following questions why what who and how to educate in virtue

foreword by mike aquilina helping young people to form their character is an exciting endeavor that god has entrusted first of all to parents it requires delicacy and strength patience and joy and is not lacking in challenges it means helping children develop a concern for others teaching them to form relationships that are truly human and overcoming the fear of commitment educating children involves preparing them for the future a future that will always involve difficulties but also joys in the end it means preparing each child to respond fully to god's plan for his or her life the twenty one essays contained in the family virtues guide will help parents in this great task whether dealing with adolescent development issues discipline modesty passing on the faith or other parenting matters this effective parenting book covers it all with supernatural outlook and common sense written in an open ended style that empowers parents to find their own solutions it can be read straight through from beginning to end or by skipping to specific chapters according to one's interests and needs both young parents and those with more experience will benefit from the insights found here
