the premise of why christians should not tithe is simple god having freed his people from the law through faith in jesus christ does not place on them a burden from the law the thesis is equally as simple christian giving is not a tithe christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed why christians should not tithe is a thorough discussion of the four tithes in moses law jesus comments on tithing and the twenty one principles of giving developed by the apostles in acts and the epistles included is a brief review of the history of tithing from post apostolic times to the present the book concludes with a new

paradigm for giving not based on the tithe but on the apostles doctrine of christian giving should christians tithe to support the gospel here is a study that will help every christian discover the biblical answer for him or her self

as i wrote this book america was experiencing the worst economic trouble since the 1920s businesses were closing thousands of homes were in foreclosure and bankruptcies were common place i noticed many in my congregation were struggling as well being hit with job layoffs and other financial setbacks i was talking to god about this and i asked him why is my congregation hurting financially during this recession where is the god of abundance on january 26 2010 at 1 15am i was awakened from a deep sleep as god spoke very loud and clear in my heart four simple words the tithe is holy as i begin to ponder these words over the next few weeks and study them out revelation begin to flow scriptures opened up to me in a whole new way this teaching has completely transformed how our church views tithing and how we give our tithes perhaps it s time for you to take a new look at what the word says about the tithe and try something different our god has more than enough to provide for his children trust him and don t settle for anything less than his abundance

for a lot of christians tithing is a deeply ingrained tradition reinforced each week on television and in the pulpits by people they look up to however those who take the time to study tithing as practiced in the bible will find out that christian or storehouse tithing is both unbiblical and cannot be justified why the fixation with tithing why all the manipulation and deceit on a topic christians should not be concerned about what does the bible say about tithing no percent tithe is an easy to read book that shows you what the bible really says about paying tithes the book 100 backed by bible verses clarifies and answers the questions you have about tithing questions like who paid tithes under the law of moses did abraham and jacob tithe can you tithe money can pastors ask for a tithe why do pastors demand the tithe are you cursed if you don t tithe how should you give to god the author uses charts and diagrams to explain and contrast tithing under moses s law with christian storehouse tithing and also looks into how abram abraham tithed christians who read no percent tithe will be surprised to find out that abraham jacob and early christians did not tithe jesus peter and paul could not receive tithes it is unbiblical to tithe money or your income the priests received one not 10 of the harvest pastors are not the modern day levites there was money in those days but god did not want money as a tithe here are the chapter titles tithing under moses why tithing to your church is not biblical abraham and jacob did not tithe 5 reasons pastors teach untruths about tithing why moses s law does not apply to christians god s portion was one no tithe just give why you should say no to tithing after reading no tithe you will understand god s plan for christian giving and realise that storehouse tithing is unbiblical the bible says that we must rightly divide the word of truth to prevent confusion in our thinking 2 timothy 2 15 and that is why you must read the no tithe book if your goal is to be

every sunday in nearly all churches after 30 45 minutes of beautiful music and singing a short act is played out usually between 10 30 and 11 30 am someone steps up to the pulpit while others fan out through the auditorium with small envelopes most of those envelopes are inscribed with god loves a cheerful giver there are blanks to write in name address date and of course the amount of cash or check that will be inserted typically almost all of those envelopes have a place indicating tithe offering children s ministry sunday school other the faithful dutifully contribute their part in this play passing the filled envelopes to the attendants who whisk them all away to a private office meanwhile a speaker is usually expounding to the congregation why they should contribute affirming the reasoning directly from the bible this is done sometimes with personal testimony and sometimes with an implied threat that if they do not cooperate they are robbing god sometimes they will speak passionately of tithing to the church as an expression of thanks to god and act of worship tithing is a long held tradition most christians are too busy to question and search out religious practices for themselves no one wants to spend the extra effort time and study to pray and seek a higher truth it is much easier to trust tradition or to merely study an issue only as far as a denomination or pastor teaches we have been carefully conditioned not to challenge convention sometimes god himself will challenge us to put aside what others say and teach to delve deeper into a subject in order to find the hidden manna of god s word the tithe that binds is the fruit of one of those challenges if you have the courage to read this you may never see tithing in the same way again

remember when we meet god it will be on his terms not ours i remember sitting on my couch thinking about what i was being shown the truth was so rending that tears were flowing down my face i heard a voice clearly say who are you going to believe men or god s word i was so indoctrinated after receiving so many messages on tithing from men i was ready to reject the truth in the word of god and hold on to what i was comfortable with god took me through a process of showing me how the lies were affecting his children people were actually turning away from god because of what they were seeing in the churches god s name was being blasphemed because of the actions of ministers concerning the money yet the worst result was that so many ministers were buying into the deception and being enticed by the riches that it was causing the gospel to be neglected america is dying spiritually while many church leaders are occupied chasing after wealth that is when everything broke and i understood i had to write the truth about the tithes but it was still a two year struggle just to get started during the two year fight to start this book god started exposing me to what was happening to christianity the churches has become a for profit organizations pastors are

now motivational speakers patterned after used cars salesmen instead of serving the poor they are rubbing shoulders with politicians and entertainers men of god are bragging about being millionaires and even billionaires choirs have become rock bands who would play for an hour or two and in some cases are the focal point of the services christians are cheering worship leaders as if they are pop stars church organizations are no longer following a five fold ministry blueprint but have become pushers of schemes to get people to give this book contains a lot more than just information about the tithe but the tithe is the focal point that everything else revolves around i am also going to show how unscrupulous ministers have used god s tithing as a method of extracting wealth from god s people for themselves and others i am not saying that every church and pastor is using the tithe to rob god s people there are some excellent churches and pastors that are following teachings that just do not line up with scripture because it s the way they were taught this is an accumulation of god s words concerning tithing which will deliver the people of god from those who would make merchandise of them in today s wealth driven society the people of god have become prey to those who will do and say anything to become wealthy i will be exposing schemes used by individuals to manipulate god s people for gain this information will be a shield to protect the parishioners from those individuals this book is going to be a weapon against deception and a tool to release many from bondage this will be validation for those who are feeding christ s flock rather than feeding themselves by devouring the flock you will be able to recognize characteristics of a true man of god i am not here to expound on the historical ramifications and the different levels of the evolution of tithing i am not here to give you a secret formula for the blessings my motivation for writing this book is to expose the misconceptions and manipulations being fed to the people of god my methodology is saturation of the truth please take this journey with me i assure you that if you receive god s truth and implement it you will be freed from the bondage of lies and those that prey on you due to lack of knowledge isa 56 11 1211 yea they are greedy dogs which can never have enough and they are shepherds that cannot understand they all look to their own way every one for his gain from his quarter 12 come ye say they i will fetch wine and we will fill ourselves with strong drink and to morrow shall be as this day and much more abundant kjv

giving was very important in the churches i grew up in and tithing was without a doubt paramount the pastor made sure we understood the difference between tithes and offerings and how the tithe was a mandatory tax and the offering was above and beyond the tithe it was explicitly clear that the tithe was not an offering i never totally agreed with the tithe teaching but it was part of the fundamentals of christianity and i had to accept it after i got married and had two young sons i went to church two to three times a week and all day on sunday

have you ever wondered why some churches pass the offering bucket when it's time to give while other churches have the people stand and walk around to give this is because the leadership understands that when people are made to stand publicly and walk around and pass the offering basket they are put in a position of embarrassment if they have nothing to give and it works like a charm most people are paid on a weekly or bi weekly basis however the tithe is requested during every service and separate from the offering in many churches this is also done purposefully even though many members pay their tithes during sunday service the request being made during weekly services places more pressure for members to give although they have already given i've seen the most egregious abuses in church regarding money getting paid for prophecies reading scriptures on the punishment for breaking vows and emphasizing living under the curse for not paying the tax of the tithe in hindsight i cannot believe some of the errors pertaining to finances that i've witnessed in church they do happen and continue to occur in 2002 i started a new church and like every other church in america i continued to teach the doctrine of tithing some of my members struggled with giving ten percent of their income while others like me had been indoctrinated and conditioned to do so for so long that we gave without hesitation i was determined to take up only one offering during any service instead of the multiple offerings i had grown up witnessing and i was accustomed to as a pastor i did not take up two offerings for the tithe and the offering but took both at the same time i hated that so much of church was about money and i did not want my members feeling the same way i felt when i attended church so i spent as little time as possible on giving there were even services that i did not solicit finances from the people however in the end this still proved to be only baby steps in the right direction it wasn't until i went through a season where i lost everything and in my anger towards god about my misfortune that he challenged me to question everything i ever believed in and completely start over many of us grew up in religious environments that frowned upon leadership being questioned about anything as a result we have that same attitude with our heavenly father however if we are not asking questions we are not learning god does not have a problem with us asking questions as a student of the word of god i began to ask the holy spirit about everything taught to me by the church and this journey has led to many of the books i have published a revelation of tithing came from this experience may the truth set you free
