kenneth vaux advocates an abrahamic theology as a dynamic and ethical axis for science and technology and argues for its continuing salience for a vital and humane science he demonstrates a historical correlation between an abrahamic theological tradition monotheism and venturism and the rise of science vaux illustrates these developments in the work of six scientists avicenna boyle schweitzer and teilhard as well as contemporaries amartya sen and leon kass in the course of his discussion vaux engages the contemporary dialogue between religion and science

this is a reader that applies the newest debates in political economy to the analysis of latin america in a way that is thematically and theoretically cohesive modern political economy and latin america consists of carefully selected edited readings in latin american political economy the editors jeffry frieden and manuel pastor jr include an introductory chapter and a concluding article as well as brief introductions to all sections these inclusions will make explicit the theoretical underpinnings of each article and will highlight their respective contributions to the ongoing debates in latin america modern political economy and latin america consists of carefully selected edited readings in latin american political economy the editors jeffry frieden and manuel pastor jr include an introductory chapter and a concluding article as well as brief introductions to all sections these inclusions will make explicit the theoretical underpinnings of each article and will highlight their respective contributions to the ongoing debates in latin america latin american economies are undergoing profound transformations and in the wake of a decade long debt crisis the statist models of the past are giving way to a reliance on the market even as authoritarian rule seems to have ebbed in favor of new or reborn democratic institutions as a result the policy framework guiding economic and political development is likely to be fundamentally different the analysis of latin america needs a strong dose of modern political economy one that can bring the area studies field up to date with the recent developments on the theoretical end of the economics and political science professions

this book helps fill that need

the international council on pastoral care and counseling icpcc met in august 2011 in rotorua new zealand for its 9th international congress various discussions in the field arose from actual challenges such as the earthquake in japan social changes and mainly deprivations all over the world the icpcc offers guidelines on how to cope with these situations which also include the indigenous traditions of the maori culture projects on inter religious encounter etc all of which provoke a rethinking of traditional spirituality the congress proceedings are presented in this book as a state of discussion within this globalized network series

theologie forschung und wissenschaft vol 33

conversing on gender is as its subtitle indicates a primer for entering the broad conversation on gender that can be found both inside and outside of academic circles the book considers the relation of gender to sex and sexuality reviews prominent theories of gender and covers basic gender issues

this book investigates the impact of education on the formation of character moral education and the communication of values in late modern pluralistic societies scholars from four continents and many different academic fields are involved while the basic framework for the contributions is informed by christian traditions the disciplines cover a significant range including theology education psychology literature anthropology law and business this makes for a rich variety of thematic concentrations and perspectives readers will quickly sense that the educational foundations and trajectories of any given country are pervasive and have a significant reach into the fabric and shape of the society and its values making education a barometer of the well being of a people and their culture the result is a volume that will inform stimulate and challenge our understanding of the role of education in contemporary societies
