case studies have become a widely used instructional tool in many educational environments the use of case studies began in the 1950s at harvard business school today they may be used as part of a course of study or as the main focus of a course to which other material is added while the use of case studies is prevalent in schools of business and medicine they are not often used in adult education or human resource development this may be because there are no current major publications that deal with the use of case studies in these disciplines nor are there any major databases of adult education or human resource development case studies for instructors to use good case studies can bring reality into the classroom they can provide frameworks for discussion based on issues that must be faced in real life complex case issues can be broken down and examined for greater understanding then pulled together again for resolution case studies can be used successfully in adult education i propose a book based on the use of case based learning in adult education and human resource development hrd the book could be positioned as a supplement to course textbooks for courses in adult education and hrd i would write the cases and develop the exercises but could also get others to contribute a case study or exercise to the book cases would each be a half page to maybe 2 3 pages at the long end and would include questions for students readers supplementary information possibly in the form of a dvd could be put together for instructors this information would include case study focal points and examples of possible responses for each study exercise

motivates students through a wide range of case studies based on popular and core issues that focus on key teaching points case studies increase in difficulty to cater for all abilities with practice synoptic exercises in the latter part of the book provides practice for the exams with questions at the end of each case study based on specimen questions produced by the awarding bodies includes a section containing advice from the chief examiner of a leading awarding body the answer guide provides sample answers mark guidelines and a matching chart showing coverage of the specifications

the sixth edition of this well known text has been fully revised and updated to meet the changing curricula of medicinal chemistry courses emphasis is on patient focused pharmaceutical care and on the pharmacist as a therapeutic consultant rather than a chemist a new disease state management section explains appropriate therapeutic options for asthma chronic obstructive pulmonary disease and men's and women's health problems also new to this edition clinical significance boxes drug lists at the beginning of appropriate chapters and an eight page color insert with detailed illustrations of drug structures case studies from previous editions and answers to this edition's case studies are available online at thepoint

this answer guide provides photocopiable example answers for all of the case studies in the student's edition business case studies 2nd edition by the same authors

acsm's certification review is the ultimate resource to help you pass the exam to become a certified personal trainer cpt certified health fitness specialist hfs or certified clinical exercise specialist ces highlights include case studies that reinforce concepts organized by ksa domains practice exams that contain questions for each certification level job task analysis tables that provide breakdowns of all the ksas by certification level and domain

over 90 case studies based on real life patient care scenarios each case includes learning outcomes and references

pharmacology for nursing care 8th edition features a uniquely engaging writing style clear explanations and unmatched clinical precision and currency to helps the reader gain a solid understanding of key drugs and their implications as opposed to just memorization of certain facts
