the story of pele the hawaiian goddess of volcanoes telling of her family her birth and the events of her life

one of the great epics of hawaiian mythology is the story of pele goddess of hawai i s volcanoes and her youngest sister hi iakaikapoliopele pele was driven out of her homeland after a quarrel with her older sister namakaokaha i a sea goddess she readied her great double hulled voyaging canoe and left kahiki sailing to hawai i she was accompanied by a number of relatives including her youngest sister hi iaka the heroine of our story none of the islands seemed to suit pele until she reached hawai i the largest island in the upland region pele settled into the fiery lava pit of kilauea and our story begins there while in a dream state pele followed the sounds of hula pahu drums and traveled to kaua i meeting the handsome young chief lohi au pele asked her youngest sister hi iaka to undertake a journey to fetch her new lover hi iaka with her companions encountered many adventures on her journey battling reptilian mo o healing people in need making new friends and traveling throughout the islands this is a passionate story of love healing betrayal and reconciliation culminating in the reunion of parted lovers lavishly illustrated by one of hawai i s most celebrated artists dietrich varez

seminar paper from the year 2009 in the subject literature oceania grade 1 3 university of constance language english abstract the development of a people is based on three categories which contain the quality of food supply the relationship to other peoples and the religion whereas the latter probably most influences the intellectual advancement this is because man s intelligence increases when he observes the different aspects

of nature and life which have an effect on him to understand natural phenomena and to gain a relation to those he creates gods ghosts and supreme beings thus his fancy and imagination develop expressed by songs and legends in which the people combine facets of life death and nature with supernatural creatures literature and art evolve by and by indicating cultural progress although the hawaiians had an oral culture and therefore no written language their intellectual advancement developed fast because of their uncountable songs and legends they repeated at fireplaces and feasts 1 what kind of religion did the hawaiians create that made them develop so fast which gods and ghosts did they invent to explain the natural phenomena they didn't understand or they filled with their imagination through summarizing the main hawaiian gods and goddesses below i will give the necessary basis of knowledge to analyse the interdependent relationship between them and the hawaiian people this mutual influence abounds mainly in legends and songs in worship and in the structure of the hawaiian society in conclusion the results are brought together to decide how much the religion influenced ancient hawaiian society and how distinctive the relationship between men and gods was in doing so i will basically refer to martha beckwith's book hawaiian mythology from 1940

of all the gods of ancient hawai i only pele the volcano goddess still lives in the hearts of many hawaiian and even non hawaiian residents of the islands to some she is a powerful and very real presence especially in the volcano region of the big island to believers this is her present home after having resided during past ages on other islands in the hawaiian chain to many in hawai i she is the subject of colorful legends with which to beguile wide eyed visitors to a geologist her story is seen as the ancient hawaiian's way of explaining the unknown natural forces that periodically devastated the land with lava flows or put on spectacular fiery displays of what must have seemed supernatural powers but to all who live in the hawaiian islands believer or cynic pele is an aspect of the hawai i of old that is constantly alive learn more about this fiery deity

through the legends the descriptions documented by exploring naturalists accounts by missionaries travelers and scientists her encounters with hawaiian ali i and the awe inspiring eruptions that continue to this day

one of the first ethnographic studies of hawai i was by eduard arning during his nearly three years in hawai i 1884 1886 he not only collected the 500 hawaiian artefacts now in berlin and presented in this publication but also studied the customs of hawaiians during the later part of the 19th century and especially their remembrances of times past the arning collection is one of the most imortant hawaiian collections outside hawai i back cover
