a script to be acted or read out aloud by eight to 14 year olds a shakespearean play that has been adapted into an 80 minute performance with or without music keeping the important speeches virtually intact

this book includes a royalty free play script for teen actors called the weird wild and wonderful days of school this play has a flexible cast not all scenes need to be performed and actors can play multiple parts because no characters repeat from scene to scene the smallest cast you could have by doing all the scripts would be three males and four females but there are many as 49 speaking roles possible

traditional theatre semiotics promoted a scientific approach to theatre studies albeit viewing semiotics as the unique discipline of research theatre sciences a plea for a multidisciplinary approach to theatre studies suggests instead a multidisciplinary approach including the following theoretical disciplines narratology mythology pragmatics ethics theatre irony theory of genres aesthetics semiotics theory of non verbal figures of speech rhetoric psychoanalysis reception theory history and sociology with semiotics being only one among equals these disciplines are presented from the perspective of their possible contributions to a sound methodology of theatre texts analysis traditional theatre semiotics moreover holds the view that the actual performance on stage is the genuine text of theatre instead of the play script despite this paradigmatic shift however this viewpoint has failed to produce commendable analyses of such texts the alternative presupposition put forward in this volume entails a series of novel perceptions of the theatre text and its possible impact on the experiencing spectator whose role in reading interpreting and experiencing the theatre text is not less crucial than that of the text itself this view presupposes that the theatre text is a description of a fictional world generated by the theatre medium the author also contests the age old view that a theatre fictional text reflects a simple narrative structure and suggests instead a complexity that consists of seven layers personified mythical praxical naive

ironic modal and aesthetic with each one of them re structuring the previous layer professor rozik also presents and describes a semiotic layer that lends communicative capacity to the description of a fictional world and two additional metaphoric and rhetoric layers which structure the theatre experience the underlying purpose is to illustrate the application of the aforementioned disciplines to these fictional layers and eventually their joint application to entire theatre fictional texts organisation of the book reflects the structure of a university course

this is the story of a small pirate with big dreams the pint sized pirate goes on a quest to save the pirates who have been captured by a sea monster both male and female lead versions are included in the book

this text provides students with the information needed to properly assess childhood language disorders and decide appropriate treatments the book covers language development from birth to adolescence
