covers only the management sector of the executive branch

a practical guide for on the job personal assistants executive assistants and secretaries having similar responsibilities this book is targeted to improve their overall presentation and professionalism as they strive to climb up the corporate ladder some specific chapters e g language proficiency are helpful to people whose mother tongue is not english this is not a book to teach shorthand typing skills or the basic office routines this is a book for those who would like to advance themselves through some practical guidance with emphasis on a hands on and functional approach in fact theoretical knowledge and technical skills can be obtained from school but things like common sense and integrity can only be obtained through life experience the thirteen chapters are split into two major modules coaching assistants how they can manage their jobs in both practical and ethical ways with appendices of samples and helpful business terms

charles walcott and karen hult maintain that the organization of the white house influences presidential performance much more than commonly thought and that organization theory is an essential tool for understanding that influence their book offers the first systematic application of organizational governance theory to the structures and operations of the white house office using organizational theory to analyze what at times has been a rather ad hoc and disorganized office might seem quixotic after all the white house office exists within a turbulent political environment that encourages expedient decision making and every four to eight years it must be reinvented by presidents who have their own theories and preferences about how to organize a staff to serve their policy needs but walcott and hult argue that white house staffs are not simply puppets of presidential preference and style yes staff structures evolve primarily from presidents strategic responses to external demands but those structures in turn significantly influence how the executive branch perceives and responds to further demands the first part of their book lays out the theoretical argument the second examines white house outreach congressional liaison press relations personnel selection executive branch oversight and interest group and intergovernmental liaison the third focuses on white house handling of policy development and implementation the fourth analyzes staff structures that facilitate the operation of the presidency itself presidential writing and scheduling staff management and cabinet coordination the book concludes by identifying general patterns in the emergency nature and stability of governance structures in the white house original and instructive governing the white house provides a much needed primer on the inner workings of the white house staff and will be an essential volume for anyone studying the presidency
