james efird examines various methods of biblical interpretation emphasizing the strengths and weaknesses of each his insights result in a presentation that enables ministers students and lay readers to grasp the meaning of the books of the bible he focuses on the Òoriginal meaning of scripture Ó i e who wrote it when where and for whom approaching the bible from its original context is a very helpful method for understanding and relating scripture to contemporary issues and applying biblical teachings to modern times faith is based on the word of god it is imperative that the best available means to read study and understand the word are employed efird demonstrates how to study the bible so that scripture may be understood and experienced in all its fullness this useful introduction is a practical resource ideal for group and individual bible study it is recommended as a companion volume to efird s these things are written an introduction to the religious ideas of the bible these two books when used in conjunction provide a general overview and basic resource for biblical interpretation

from new york times bestselling author cass sunstein a timely and powerful argument for rethinking how the u s constitution is interpreted the u s supreme court has eliminated the right to abortion and is revisiting other fundamental questions today about voting rights affirmative action gun laws and much more once arcane theories of constitutional interpretation are profoundly affecting the lives of all americans in this brief and urgent book harvard law school professor cass sunstein provides a lively introduction to competing approaches to interpreting the constitution and argues that the only way to choose one is to ask whether it would change american life for the better or worse if a method of interpretation would eliminate the right of privacy allow racial segregation or obliterate free speech it would be unacceptable for that reason but some supreme court justices are committed to originalism arguing that the meaning of the constitution is settled by how it was publicly understood when it was ratified originalists insist that their approach is dictated by the constitution that sunstein argues is a big mistake the constitution doesn t contain instructions for its own interpretation any approach to constitutional interpretation needs to be defended in terms of its broad effects what it does to our rights and our institutions it must respect those rights and institutions and safeguard the conditions for democracy itself passionate and compelling how to interpret the constitution is essential reading for anyone who is concerned about how the supreme court is changing the rights and lives of americans today
