this book describes how the systems engineering se methodology can be used to harness technology and enhance democracy within any political system moreover it provides a practical roadmap for countries and politicians who are willing to change their existing system of governance to one that allows the people to have a meaningful say in this regard the book compares and contrasts two countries mauritius and australia highlighting how se and e democracy can be implemented in different contexts

this book deals with the relationship between geomorphology and society this topic has had rather scant treatment in the literature except to some extent under the label applied geomorphology in this text the authors aim to bring together conceptual issues and case studies of how geomorphology influences society and indeed how society is in turn influenced by geomorphology in an age in which the influence of human activities on global environments has become so paramount that it is increasingly common to refer to it geologically as the anthropocene the book aims to reflect on the geomorphological significance of widespread and diverse forms of human impact in a range of environmental settings

the mercantile bank of india was one of a small band of british managed banks which dominated anglo eastern finance for most of the 20th century founded in london in 1893 the mercantile inherited the business branches staff and even the distinctive cable address paradise london of its forerunner the chartered mercantile bank of india london and china in the early 1900s the mercantile bank re established a strong and quietly successful business in the east after the first world war the mercantile played a prominent part in banking development in malaya in addition to maintaining its support for the trade of the indian sub continent the bank also enjoyed success in shanghai like its major rivals the hongkong bank chartered bank and the national bank of india the mercantile bank suffered grievously during the second world war in the post war world it needed both to adapt to massive political change throughout the east and to diversify into new markets and new types of business in 1959 the mercantile became a subsidiary of the hongkong bank and this book explores the complex high level negotiations in london and the east which preceded the acquisition although the mercantile bank was fully absorbed in 1984 by the hongkong bank now part of the hsbc group its history business and personnel remained an important thread in the traditions of the enlarged group this history deploys the extensive and colourful archives of the mercantile bank together with the memoirs of former officials and their families the book is plentifully illustrated from the photograph collections of the mercantile

bank and former members of its staff

from the John Holmes library collection

annotated bibliography covering books journal articles working papers and other material on topics in population and demography
